Journey To The New Jerusalem – The Inner Recesses of the United Hearts

From Our Lady

“All are called to a vocation of holiness, but few pursue it with sincerity. Little daughter, Jesus sends Me to invite you to be a prisoner of My Immaculate Heart – a captive of love. Reflect how each action would take on renewed meaning if you were thus confined. You would do nothing from a selfish motive but give everything to God. This is what true holiness is. And so I call all of My children to this lofty, yet attainable goal. It is here in My Heart that your crosses are transformed into grace. The deeper the soul is drawn into the recesses of this Heart, the sweeter and more pure the nectar of grace that is mediated. Therefore, I tell you, the more you love the more holy you become.”

December 5, 1993

Our Lady comes as the Mother of Holy Love. She says:

“Give praise to Jesus, who is Holy Love.”

I say, “Now and forever.”

She gives a private message, and then says:

“Further, I come to encourage you in holy trust, which is the way to faith in all that is God’s Will. I am building a temple in the recesses of My Heart composed of every fragment of the remnant Church. It is in My Heart I will instruct and guide them through you, and so do not concern yourself with details on how the path will be laid. My Heart is eternal. Many areas of earth will be consumed by the fire of the Holy Spirit, and safe will be the Refuge of My Heart. I am putting many things in place to begin what Jesus asks in love.”

April 30, 1994

After Communion I asked Jesus about the cost of the spring. He said,

“The cost is many prayers and much faith which you are already giving Me.”

Then I asked Him about the depth. He said,

“The depth is the deepest recesses of My Mother’s Heart, which is readily accessible at this blessed site.”

October 10, 1995

From Our Lady

“I am with you. I will not forsake you. I know your needs both in want and in plenty. I am holding you in the innermost recesses of My Heart, wherein, the enemy cannot enter. Beside you abide good angels. Ahead of you My own angel Gabriel. Transfix your gaze upon God’s Holy Will, for His Will attains every grace.”

Now She appears as Our Lady of Grace.

“I am the Mediatrix of all Grace; your intercessor before the throne of the Almighty. In His Will and His Grace is every provision, through which every plan of Heaven comes to perfection. When man’s will impedes, grace circumvents. Remember, I do not come only for your pleasure, but your welfare. Therefore, be at peace. God’s provision is all around you. The outpouring of My Heart is upon you. Let us give praise to Jesus. My daughter, it is by your intercession and My Own, we will succeed. Alone you are nothing and can attain no good. But with God all things are possible. He is all goodness, all grace, all mercy. See then, that united and one with Him is our victory. I desire this prayer center so that by your efforts My grace can come into the world.”

She leaves.

April 1, 1996

Our Lady comes in light blue with many sparkling lights around Her. She spreads Her hands and says:

“Today you see snow outside covering the buds that are about to burst forth giving life to the world. This is much like My mission in your heart. You have seen only a glimpse of God’s grace that will be made manifest soon to the public. Much has been clothed in the recesses of your heart and of Mine. But you will see beautiful signs of My presence soon on the property. These signal graces will not be shown just to you but to the public. Tell them to watch the sky—the sun—and even the air around them on the Twelfth of the month. By May, many graces will be given at the Spring as access will be made ready.”

“My mission which has remained sequestered in your heart until this hour is now going into the world and amongst My pilgrims. Every preparation is complete in your heart. Paths and gateways in the world are opening through My grace. The mission is indeed ready to bud. You will see many things take place that will astound you.”

“For today, I am blessing you in Holy Love.”

September 1, 1997

Blessed Mother and Jesus are both here. Their Hearts are exposed. Blessed Mother says:

“Praise be Jesus.”

Jesus nods, smiles, and points to His Heart. Blessed Mother now says:

“Dear children, please understand that My Son’s dominion reaches to the farthest corners of the earth and the deepest recesses of each heart. Therefore, tonight surrender to His Sacred Heart your crosses and your petitions. United together in this way My Son will look with favor upon your every need. We are extending to you tonight the Blessing of Our United Hearts.”

April 26, 1998

Our Lady is here as Mary, Refuge of Holy Love. She says:

“Praise be Jesus. Alleluia! Pray with Me now, dear children, for all unbelievers.”

“Dear children, today I invite you to come still further into the recesses of My Heart. To do so, My dearest children, you must detach yourselves from all affection in the world, whether it be position, domicile, or even your own reputation. These things are passing and of little importance. But in the New Jerusalem, you will have the greatest place in My Heart, if you only surrender to Holy Love. Make that your first importance, your first priority in this world. Today, I am blessing you with My Blessing of Holy Love.”

October 10, 1998

Blessed Mother is here as Mary, Refuge of Holy Love. She says:

“Praise be Jesus. Dear children, pray with Me tonight that more will visit this site and receive insight as to their faults and failings.”

“Dear children, tonight I welcome you here, and I invite you into the hospice of My Heart. The proud will resist My call and the message of Holy Love, as they find their joy in the world and all that is passing. But to the humble, My message and My call will be sweet in their ears. They will come into the inner recesses of My Heart. Here they will not only learn to hide their humiliations, but also their virtues and their graces, and they will have a private relationship with My Son and with Myself. Tonight, I am blessing you with My Blessing of Holy Love.”

December 12, 1998

FINAL MESSAGE TO ALL NATIONS

Blessed Mother is here as Mary, Refuge of Holy Love. She says:

“Praised be Jesus. Dear children, pray with Me now for Christ’s pilgrim Church on earth.”

Jesus is with Blessed Mother.

*“My dear children, this is the way I desire it to be always and everywhere, that we should be united in a common language of prayer. ** Come to Me under this title [Mary, Refuge of Holy Love] and receive the fullness of My grace.”*

“My dear children, today I am delivering from Purgatory the relatives of those who are here today. Pray with Me, My dear children, that faith will be strengthened in hearts here today; that you will always remember My coming to you as the Refuge of Holy Love; that you will spread this devotion around the world. Just as I come to you in simplicity and without guile, I desire that you make this message known around the world – as it is the light on the path that leads to salvation.”

“Today, once again, I invite all people, all nations, into the recesses of My Immaculate Heart. Apart from the grace of My Heart, you are unable to withstand the wiles and onslaught of Satan. The peace of the world has been entrusted to My Immaculate Heart by My Beloved Son. Therefore, understand wars and unrest will continue in the world until I am victorious in all hearts. Because My Heart is Holy Love, understand that My Victory is coming through Holy Love.”

At this time Maureen asked Our Lady if the Eternal Father would allow Her to return to speak to the world again.

“Yes! It is My privilege to do so next year on your birthday and My feast day [December 12th], and also on May 5th [Feast of Mary, Refuge of Holy Love].”

“Every year?” Maureen asked. Blessed Mother smiles and nods yes.

“I have come to you as the Woman clothed with the sun, a sign of the Apocalypse. I invite My children to understand that today Satan has convoluted the truth and righteousness. Much of the population believes more in the dictates of their own consciences than in the laws of God Himself. Thus, in convincing individuals to follow the whims of a free will unformed in truth, Satan has accomplished the demise of many souls and the destruction of order and harmony in God’s world.”

“But I come to you to help you rediscover the truth. God is truth. His law is righteousness. God dictates Holy Love. Satan dictates love of self beyond logical reason. Surrender to Holy Love in the present moment. It is your salvation. It is the reason I have come to you all these years.”

“My angel, today I tell you My love for each of My children is everlasting. Though each one is distinct and individual, I love you most easily when your hearts are steeped in Holy Love. It is then I am able to let flow the fullness of My grace into your hearts.”

“My love for you is not distinguished by the absence of any cross, but rather, the grace to bear each burden in Holy Love.”

“My visits to you should have transformed your life and the world around you. Your ‘yes’ to Me needs to ignite the Holy Love in hearts all over the world. Thus, shall it be.”

The United Hearts Blessing is given.

****** [Blessed Mother is referring to the Rosary being recited, during which the Our Fathers were each being spoken by representatives of different nationalities in their native tongue.]

December 14, 1998

Jesus and Blessed Mother are here with Their Hearts exposed. Our Lady says:

“Praised be Jesus.”

Jesus says:

“My little flock, My brothers and sisters whom I love and trust. I desire that you love and trust Me. All around you is My protection and My provision. I am leading you deep into the recesses of My Divine and Sacred Heart. Come to Me. I will perfect you in Holy Love.”

The United Hearts blessing is given.

April 10, 1999

Jesus stands in front of me in red and white.

“I am your Jesus, born Incarnate.”

“I have come to you today to help you understand the effects of self love. Once again, self love is an inordinate self-centeredness that takes you away from love of God and neighbor. The soul opens himself to trusting only things in the world (money – power) and is led away from trusting in Me. I have given mankind the world to use towards his own salvation and holiness. In this way, he uses the world and its attributes to give glory to God and to express love towards his neighbor.”

“It is this self love that contributes greatly to false virtues. A false virtue is one that is practiced for show – to impress others – or to gain merit for self in the eyes of others. Anyone who tries to act loving, humble, or meek to impress others is guilty of this false virtue. The virtues are given to build up your own personal holiness within your own heart. This should be accomplished in simplicity and in the secret recesses of your heart. Your journey in holiness should be between you and Me, not for others to see.”

“When you are judged it will be just you and Me. No one else’s opinion will matter. You will be unable to offer excuses for what I see in your heart.”

“This is how you should live then – with your eyes fixed on Heaven and your hearts steeped in Holy Love. I give each one no other call.”

December 2, 2000

Jesus is here with His Heart exposed. He says,

“I am your Jesus, born Incarnate.”

“My brothers and sisters, I wish to lead all humanity deep into the recesses of My Divine Heart through this message of love. You can help by carrying the message into the world around you and sharing it with others. Be the message, My brothers and sisters, so that I can be victorious and take My dominion over every heart. Tonight I’m extending to you the Blessing of My Divine Love.”

Christmas Day – Solemnity of the Nativity of the Lord

“I am your Jesus, born Incarnate.”

“Tonight I have come to tell you that I have ransomed the Chambers of My Heart towards the peace of the world. Yes, I have willingly revealed these Chambers and Their access so that mankind may find the way to his salvation, holiness, and sanctity.”

“Because My Heart is Pure Love, and because there can be no peace outside of love, you must understand that the inner recesses of My Heart hold the solution that eludes the world. I gladly and willingly share every fiber of My Heart with anyone who will surrender to My Call. Oh, that each one would surrender! Then I could cleanse every heart of compromise.”

“But to the worldly-wise, ‘Truth’ is painful. Love reveals all Truth. Love shows forth iniquity in its Flame that burns eternal. For to come into the recesses of My Heart the soul must forsake its self-centeredness and bring Me to the center of its heart and life.”

“This is the only long-lasting peace. Make it known.”

May 19, 2003

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says:

“Praise be to Jesus.”

Jesus:

“I am your Jesus, born Incarnate.”

“My brothers and sisters, pursue with courage the deepest recesses of Our United Hearts. I call you to surrender. Leave all encumbrances behind, all your wants, all your desires and unite your soul to the Divine Will of My Eternal Father; for this is the path and the way of righteousness.”

“We’re blessing you with the Blessing of Our United Hearts.”

Monthly Message to All People and Every Nation

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says:

“Praise be to Jesus.”

Jesus:

“I am your Jesus, born Incarnate.”

“Today, I have come seeking prayers and sacrifices for those who make decisions which not only affect their own salvation, but the salvation of others. Such as these are government leaders, Church hierarchy, but also teachers, parents and priests.”

“In regards to moral issues, no opinion goes without My Judgment. Consciences must be formed in Holy Love or else thoughts, words and actions are in error. Some of the Church hierarchy are schismatic and mislead clergy, and laity alike. It is no different in the realm of world government where laws are legislated in favor of self-love, not Holy Love.”

“My Remnant must not give up hope, but persevere in the face of persecution and controversy. When you pray your trust in Me is like a down payment on your petition. Never be afraid to witness to the truth. The truth is the Light of the Holy Spirit which must pierce the darkness. My Faithful Remnant, you are the building block of the New Jerusalem. Upon your hearts rests My seal. Therefore, do not be discouraged even in the smallest matter.”

“I come not only to encourage the Remnant Faithful, but to reproach those who have fallen from the path of righteousness. Understand in the innermost recesses of your heart that Holy Love is the scale of justice by which all thoughts, words and deeds will be measured.”

“It is out of pride and self-love you choose sin over love. Satan has tricked you into thinking right is wrong, and wrong is right. Every sacred event of life from birth to marriage, Holy Orders to death has been violated by Satan’s lies. When Heaven tries to intervene by way of miraculous events, the grace is summarily discounted. This wounds My Heart.”

“I come to strengthen My Faithful Remnant. This can only happen when souls live in the Divine Will of My Heavenly Father which is Holy Love itself. Do not allow transgressions against love to come into your heart and weaken your faith, but return to Me, My children.”

“Today We are blessing you with the Blessing of Our United Hearts.”

November 1, 2004

“I am your Jesus, born Incarnate.”

“Dear child, once again I come to tell you that all I have chosen for you is at hand in this present moment. Grace is always accompanied by the Cross, and the Cross is always clothed in grace. The Will of My Father, Who is All, orders all things mightily. Nothing occurs outside of His Will. Accept both victory and defeat, for neither is as it seems.”

“If you are quiet in the recesses of your own heart, you will discover that when one door closes another is made apparent and opens. Therefore, there is no concern that should disquiet you.”

February 4, 2005

Jesus is here with His Heart exposed. He’s smiling at everyone here and He motions towards His Heart. He says:

“I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight open your hearts and see the great grace that I am giving you by My visit here. Accept God’s Will for you in every present moment for that is the way to sanctity.”

“I desire that you be holy—that you be perfected in humility and love. I want to take you, each of you, deep into the recesses of My Heart. Do not resist Me any longer. See that all your doubts are a temptation to compromise. Accept what I am giving you here tonight.”

“I’m blessing you with My Blessing of Divine Love.”

Second Friday Rosary Service to Pray for Priests

St. John Vianney is here. He smiles at the priest who is present, and blesses him. He says:

“Praise be to Jesus.”

“My brothers and sisters, if you do not recognize the portal that Satan comes through to reach the inner recesses of your heart with his temptations—if you do not recognize the path he draws you upon with his evil inspirations—then you are giving him free reign in your hearts and in your lives. This is especially true of priests who are the most popular targets of evil. You must

pray for the wisdom to recognize and to know the enemy; then you will be ready for his next attack, and he will not trip you up.”

“Tonight I’m extending to you my Priestly Blessing.”

Conversation with Divine Love

“I am your Jesus, born Incarnate.”

“Child, place everything—every problem, every petition—in the recesses of My Divine Heart. Herein, all is attended to according to the Divine Will of My Eternal Father. Nothing is forgotten or overlooked. Nothing is unimportant. Whatever concerns you, concerns Me, as well. Every solution is within My Sacred Heart; nothing goes unanswered. Trust—yes, childlike trust—is what holds all your petitions in My Heart. When you can turn everything over to Me and to the welfare of My Heart, then My actions in your life are most profound and powerful.”

February 17, 2008

St. Bernard of Clairvaux says:

“Praise be to Jesus.”

“This is the prayer for day two of the novena to Mary, Refuge of Holy Love.”

Day 2

“Dearest Mary, You are our Protectress and Refuge. Hide me in the deepest recesses of Your Heart which is pure love. Protect me from the snares and temptations of Satan. Help me to conform to God’s Divine Will in every present moment. Amen.”

Prayer to be said every day:

“Mary, my Mother, Protectress and Refuge—Your Immaculate Heart is our safe harbor in any storm. Manifest now the power God has given You in answer to this plea—Mary, Protectress of the Faith and Refuge of Holy Love. Amen.”

February 21, 2008

St. Bernard of Clairvaux says:

“Praise be to Jesus.”

“I have come to recite to you the third day of the novena to Mary, Protectress and Refuge.”

Day 3

“Mary, my Mother, Protectress and Refuge, open the inner recesses of Your Heart to me. Purify my soul—poor sinner that I am—in the Flame of Your Heart.”

“I surrender to You now all my sins, that which leads me into sin, and all my lack of trust. Help me to conform to the Divine Will of God. Amen.”

Prayer to be said every day:

“Mary, my Mother, Protectress and Refuge—Your Immaculate Heart is our safe harbor in any storm. Manifest now the power God has given You in answer to this plea—Mary, Protectress of the Faith and Refuge of Holy Love. Amen.”

August 31, 2009

“I am your Jesus, born Incarnate.”

“I desire that the entire Confraternity—the entire journey into Our United Hearts—be made ecumenical, uniting all people and all nations to Our United Hearts; for this is a journey into personal holiness that all are called to. It is a path of salvation, unity and peace.”

“Do not be put off by those who say they do not approve of this spirituality. I, your Jesus, call each one and all into the innermost recesses of My Heart. It is only through purging of faults and failings and an illumination of conscience that this journey can be made.”

“Just as I call all people and all nations onto this spiritual path of sanctification, I call everyone—no matter their faith—onto this property where grace abounds. I exclude no one. My Mother’s Heart opens to you here. She awaits your arrival. You will feel Her presence here as a sign of Heaven’s approval. Do not hesitate as some try to confuse you with their sanctimonious rash judgments, which are presented as ‘discernment’.”

“Open your hearts to the truth of these Messages. The grace will be given to all to accept the truth with a movement of their free will.”

October 23, 2011

St. Francis of Assisi says:

“Praise be to Jesus.”

“I have come to assist souls deeper into personal holiness. No one can progress deeper into the United Hearts without going deeper into Holy Love and Holy Humility. These two – humility and love – are the key into the deepest recesses of the United Hearts.”

“Therefore, souls need to pray daily that these virtues are strengthened, and to discover any weaknesses therein. Once again, I point out that self-knowledge lights the way on the pathway

of holiness. Do not waste the present moment looking at your neighbor's faults. Pray for the Holy Love and Holy Humility to look into your own heart."

February 14, 2015

Our Lady comes as Mary, Refuge of Holy Love. She says:

"Praise be to Jesus."

"Dear children, I have given you the moral standards of the Holy Remnant of Faith. These seven points must never be compromised. In the coming days, I will address the full expanse and depth of these points – one by one. As you review these points, realize that these are the ways Satan attacks you and tries to rob you of your salvation. The evil one does not want you to internalize these Truths. He does not want the Remnant [Faithful] to be united."

"Therefore, dear children, you must be united with a tenacious fervor – never relinquishing your right to live in the Truth and to live the Tradition of Faith handed down to you by your forebears. You will be mocked and maligned, but I will give you the strength to persevere. The Holy Remnant [Faithful] is deep in the recesses of My Immaculate Heart, yet very present in the world today. It is a countersign in an evil age."*

*Forebears are the Church Fathers and the apostolic successors (Popes and Bishops) who established and handed on the Tradition of Faith.

"I am your Jesus, born Incarnate."

"How I long to take the heart of the world into My Eucharistic Heart wherein every conscience would be brought into the Light of Truth. Even though I gave the world the grace of My Real Presence, most do not believe and do not take advantage of this grace. Is it any wonder then that the grace of this Mission is also overlooked by so many."*

*"Do not be astounded by the lack of interest in general in all that is offered here.** When needs increase, devotion here will increase. Mankind fosters an independent spirit from God when his needs are provided for by the very One Who is shown such ingratitude. So often humanity needs to be reminded of his dependence upon Divine Provision before he turns to prayer. Do not encourage the hour of My Justice by such an attitude. Step into the recesses of My Eucharistic Heart and admire all I offer you."*

My Church – The New Jerusalem

From the Book of Truth

**“Satan will be bound during My Reign and will no longer deceive God’s children”
Wednesday, December 19th, 2012 @ 12:30**

My dearly beloved daughter, the world must know that the Era of Peace will be the culmination of My Promise, where I will Reign over the New Heavens and the New Earth. This will be a Spiritual Reign and My Church, the New Jerusalem, will be at peace and My Word will be heard amongst all nations.

Satan will be bound during My Reign and will no longer deceive God’s children. This Reign, will not be a symbolic one, but where the Tree of Life will breathe Love and Peace so that all those who are blessed to enjoy My New Paradise will not suffer death even when Satan will be released, albeit for a short time, at the end of this period.

My Plan is according to the Will of My Father and no man has the right to deny the Will of God.

Make no mistake, you must accept the Word of God which is contained in My Father’s Book because if you do not then you will be deceived as to the prophecies given to man since time began.

Follow only My Path. Accept My Promises. Do not doubt Me for you will insult Me. You either, accept Me as your Saviour and trust in Me completely, or not at all.

My Word is the Truth. The Truth will, when accepted by every living soul, be the key to freedom and to the Gates of My New Paradise.

Your Jesus

“They will never prevail against My Church”

Monday, September 1st, 2014 @ 20:05

My dearly beloved daughter, My Spirit is very much present in My Church on earth at this time, as My enemies rise ferociously against it. They may scourge My Body that is My Church; they may pour scorn upon the True Word of God; they may sneer at the Ways of the Lord, but they will never prevail against My Church. My Church consists of those who proclaim the True Word of God and who provide the Sacraments to God's people, as laid down by My Apostles. Only those who remain True to My Teachings, My Word, My Body and the Holy Sacrifice of the Mass, as it was dictated by Me, can say they are of My Church. My Church, as it stands now, will be crushed – its buildings pulled down and taken over, My sacred servants thrown onto the streets, where they will have to beg, and the practice of the Sacrifice of the Holy Mass will be abolished. Yet, My Church will remain intact, although it will become a very small remnant of what it once was.

The Holy Spirit of God will guide My Church through the turmoil it will have to face, and so the Truth will survive. Every enemy of Mine will try to destroy My True Church. Then they will replace it with a false one. They will create new scriptures, new sacraments and many other blasphemies in My Holy Name. But, My Church that is My Body and My true followers will remain as one in Holy Union with Me. Then, when it will seem to have been destroyed, burnt to the ground, the embers of My Church will still flicker until the day that I come again. On that day, when My Church, renewed and aglow in great glory, is risen and when the whole world proclaims it to be the one True Church – the New Jerusalem – every good man will drink from her cup. All that was in the beginning will be in the end. All life created by God will be renewed just as it was when Paradise was created for the human race.

My Spirit is alive and it can never die for I Am Eternal Life – the giver of all that man needs, to live a life where death has no place. Always trust in the Power of God when everything you witness in the world may seem unfair, cruel, unjust and, at times, terrifying. My Power will envelop the world and My Love will unite all those with love in their hearts. I will banish all evil and when My Patience has been depleted, I will cast away all My enemies. I Am here. I have not gone away. I guide you now on this thorny path towards My Glorious Kingdom. Once that day comes, when I announce My Second Coming, all tears will be washed away. All sorrow will come to an abrupt end and, in its place will be the love, the peace and the joy that only I, Jesus Christ, can bring you.

Persevere My little ones. Pray, pray, pray so that love can survive in the world and for peace to be brought to all those poor suffering innocents who are scattered around the world in war-torn countries. All of God's children belong to Me and I love every soul, every nation and every sinner. I bring you the Gift of My Crusade Prayers so that by reciting them you will help Me to save as many souls as I can.

Go in peace and love.

Your Jesus
