

THE FIRST SEAL OF THE APOCALYPSE OPENED
AND
GOD WON

A Commentary
By *a soul*

(November 10-13, 2016, the month dedicated to the Holy Souls)

INTRODUCTION

Tonight, as I sit singing love-songs to *My Love, Jesus*, I am filled with so much joy and so much hope in my heart. I am overjoyed at the presidential election of Donald Trump for my beloved country, *America*, as I think many people of faith are today.

It is a start of a new beginning for America and for the entire world. And I am totally indebted to Our Lord, *Jesus Christ*, and the Blessed Mother, for this great Miracle at the Hand of God.

I thank *Our Heavenly Father* for saving us. I thank God for saving my country, and in turn, the entire world. I hold great optimism for the future of all in my heart and in my soul.

Now, I know that many people of faith—particularly, followers of my blog, ***MaryRefugeOfHolyLove***, may be wondering how to interpret the events of the U.S. Presidential Election in light of current prophecies. *What just happened? Which prophecies and messages are true? How does one discern in all of this?*

And so, I am writing this commentary tonight for them—for the followers of my blog and all believers of faith, etc., who may come across this writing. As many people know, I, *a soul*, believe full-heartily in the heavenly prophecies and heavenly messages as given through **Holy Love Ministry** (<http://www.holylove.org>), **Locutions To The World, the Book of Truth** (Maria Divine Mercy), **Prophet John Leary** (<http://www.johnleary.com>), **Holy Family Refuge** (<http://www.childrenoftherenewal.com>), **Our Lady of Emmitsburg** (<http://centeroftheimmaculateheart.org>), etc.

In fact, I created this blog, ***MaryRefugeOfHolyLove***, specifically, so I could promote to the world these chosen messengers of Our Lord and Our Lady, in preparation for The Great Warning of Our Lady of Garabandal and the Ten Secrets of Our Lady of Medjugorje.

And so, I hope this commentary will help others in their discernment of spirits, as they try to understand what just happened and what will happen in the future.

And now, I begin with a story of mine...

PART I. A PERSONAL STORY

Almost 14 years ago, I converted to the Catholic faith, the religion of my childhood baptism. And when I returned to the faith, Our Lord impressed upon me very strongly a desire to pray for sinners during The Great Warning, which I learned at the time, had been prophesied by Our Lady in Garabandal, Spain, during the 1960s.

In fact, Our Lady's apparitions at Garabandal, Spain, and Medjugorje, former Yugoslavia, were pivotal in contributing to my return to the Catholic Church. They provided for me the supernatural "evidence" that God existed and that He loved us and is intimately involved in our lives here on earth. Because it did not make sense to me, that if God existed, that He would hide Himself from us—so, I knew that one religion on earth had to be the true faith. And I found that Truth in the Catholic Church 14 years ago.

Now, I have had mystical experiences before, which I have chronicled a little bit in my various writings on this blog, *MaryRefugeOfHolyLove*. But, I do not consider myself to be a "mystic" or a "chosen soul." I do not receive messages from Heaven to share with others, etc. I do not have a spiritual director, etc. I am nobody of consequence.

And I have related to others in various writings on this blog, that I suffer from a severe mental illness—*schizophrenia*, so I know that many people may not find my words credible because of that fact. But, I tell people—the followers of this blog—upfront about this fact, because that is one of the reasons I do not have a spiritual director. No priest would believe in me.

And I know that many people of faith would not believe in me, even now. But, I leave this commentary and my various writings up to others for their own discernment.

Meanwhile, I have always felt that God permitted me to have schizophrenia so I could develop my discernment of spirits. I was diagnosed with the severe mental illness at the same time as I converted to the Catholic Church 14 years ago. During my conversion, I was also experiencing demonic visions and heard demonic voices. And finally, after two serious hospitalizations, I was placed on medication, which I take daily to this very day.

In the beginning, it was very difficult for me. The daily nightmares and demonic voices tormented me for many years. But, it has been through this life experience, that I learned to test my thoughts and the voices. And through the years, as I have become closer to *My Love*, I am grateful that the nightmares have all but diminished and I am much stronger in discerning between demonic voices and heavenly inspirations, etc.

Now, as I related earlier, I have had a few mystical experiences, but this is not a daily or normal experience. I do not consider myself to be a mystic, etc. But, as I revealed in Chapter 14 of my free ebook, [**Memoir Of A Soul In Holy Love**](#), on this blog, I had a private illumination of conscience in connection with a heavenly message given at Holy Love Ministry on May 31, 2011.

And when I had that private illumination of conscience, I was shown visions of the beginning of Creation up until modern-day. And when the Lord brought me to the End Times, I began to weep heavily and beg so much the Lord for a “free-be” pass for humanity. It was agonizing to feel the sorrow of the Lord on the direction the world was heading...

In Holy Scripture, in the final chapter of the **Book of Revelation**, Our Lord, *Jesus Christ*, issues this warning:

(Verse 18) **I warn everyone who hears the prophetic words in this book: if anyone adds to them, God will add to him the plagues described in this book,** (Verse 19) **and if anyone takes away from the words in this prophetic book, God will take away his share in the tree of life and in the holy city described in this book.**

And so, I knew from Holy Scripture, that no man could add or subtract words to the Book of Revelation. It is a sacred text on the future of the world.

But, during my private illumination of conscience, I rationalized, that while no man, no woman, no human being, could change the Book of Revelation, but here I was before *My Love, Jesus*, having my illumination of conscience, and He is the Author of the Book.

Jesus is not simply any man. Jesus Is God and the Author of Holy Scripture. And so, I rationalized that since Jesus is the Author of Revelation, that He is the Only One Who could rewrite the Apocalypse.

And so, when I came closer to having the visions of the End Times, I began to beg *My Love, Jesus*, to stop please—I did not want to see the visions—and I begged *My Love* with many tears falling to please rewrite the Book of Revelation—

I begged *Jesus* to “rip out” the bad pages of the Apocalypse, and to instead open-up the Book of Life to everyone. I wanted Him to grant us the “good parts” of the Apocalypse. I wanted the “free-be” pass for everyone...

But, *Jesus* was silent to my ardent prayers to rip out the bad pages of the Apocalypse. Instead, He simply told me in my heart that He could not come again to earth in the flesh...

And so, I have lived with that memory since May/June 2011.

The mystery of whether the Book of Revelation could be rewritten by the Author of Life.

PART II. THE BLOG: MaryRefugeOfHolyLove

Now, I know that there exists some people who have been critical of my blog, *MaryRefugeOfHolyLove*. Some people have criticized the fact that my blog supports some

heavenly messages that are supposedly “condemned” by the Catholic Church, or are critical of the pope. Others have criticized the fact that I promote various chosen souls—that I should only promote one body of messages and not “mix up” several different ones. And then, others have criticized the fact that I promote heavenly messages that seem to contradict one another. How can I support such messages when they seem to conflict each other on various points—especially, on various prophecies, etc. Heaven only deals in the Truth and since there can be only one Truth, these messages and prophecies must be false, etc.

I am aware of the criticism. I have ignored them.

I began my blog, *MaryRefugeOfHolyLove*, over a year and a half ago in April 2015. I created the blog so I could promote the Book of Truth—heavenly messages given to End-Time Prophet, Maria Divine Mercy. But, when I created the blog, I also was strongly inspired to also promote the heavenly messages given through Holy Love Ministry, Locutions To The World, and Prophet John Leary, etc.

I had no expectations on what may happen. I simply trusted on the Lord and Our Lady for guidance as I have spent hundreds of hours preparing the blog. All I knew was that I needed to create a central website for the sole purpose of preparing the world for The Great Warning, which I had been praying for almost daily ever-since my conversion.

I was not under any major illusions. All I knew was that these bodies of heavenly messages were true and they were the answer for earth’s woes. And I wrote commentaries and included my private love-letters to help others in their discernment of spirits.

I was aware of the discrepancies and apparent contradictions between the heavenly messages. But, I remained undeterred. The Holy Spirit had lead me to believe in these different bodies of heavenly messages. Although I knew there might be differences in the various given prophecies, I had learned through my discernment of spirits to not rely on fulfilled prophecies that much. Rather, I saw consistency in the various heavenly teachings that I relied upon to discern whether they were authentic or not. It was the teachings that made me a believer, not the prophecies. I could hear the Voice of God in them.

And so, oftentimes, I would write in my commentaries and comments that I am imperfect and I do not claim perfect discernment. And that I leave it up to God in The Great Warning to reconcile the differences between the prophecies and heavenly messages. And so, I did not let the rising criticisms and apparent discrepancies deter me from working on the blog. I did not let myself get paralyzed. I simply prayed and trusted in God and left it up to Our Lady so that people would not be misled by my work.

And Heaven provided me signs that I was doing the right thing.

PART III. THE GREAT WARNING
AND
THE BREAKING OF THE FIRST SEAL

Meanwhile, this past year has seen an escalation of urgency in heavenly messages from various sources. It has been palpable and real.

In particular, Our Lord, *Jesus*, has been giving increasingly serious messages to Prophet John Leary for the past two years. John even accepted a secondary mission of preparing his home to be a refuge during the Great Tribulation. It seemed that there were many bad and even evil events that might possibly happen before the U.S. Presidential Election in November 2016. *Jesus* seemed to be preparing us through messages given to John for The Great Warning and martial law to take place in my country, America, at any time.

Meanwhile, there were many urgent messages from God given through such sources as **End Times Daily – Ned Dougherty** (<http://www.endtimesdaily.com>), **Apostolate of the Green Scapular** (<http://www.greenscapular.org>), and Holy Family Refuge, which is a body of heavenly messages that I believe in. In particular, these words were said:

January 24, 2016

“I, God the Father, am about to give the Warning talked about in Revelations.” (God the Father)

March 16, 2016

“The time has come and My Father is confirming that it is very, very close... The Warning has to come now because of all that the one world people have already planned and are already being enforced... If He does not correct His children now, millions upon millions will die in the world and many more would lose their soul if it was not for this special grace and Warning to wake up the people of the world... Most of My Father’s children have forgotten the Ten Commandments. Your world has dropped about all of them except less than ten percent of My children.” (Jesus)

“My beloved children, I God the Father have given you all the time that I can to ask forgiveness. Satan is about to destroy all your earth so the Warning must come now.” (God the Father)

July 15, 2016

“My beloved son and children, your country America keeps wondering what to do to save your country and it is so simple... The only chance you have to survive is to put the Ten Commandments back into the government, your schools, and all of your work places...”

“...Without God, you will have no country. I and My Mother have been telling you this for years but you will not listen. Now satan will take you down because of your sins, America. I, God the Father repeat, “WITHOUT GOD THERE IS NO COUNTRY!” I repeat it in the name of God the Father, “WITHOUT GOD THERE IS NO COUNTRY!” I repeat it in the name of God the Son, “WITHOUT GOD THERE IS NO COUNTRY!” And I repeat it in the name of God the Holy Spirit, “WITHOUT GOD THERE IS NO COUNTRY!”

“Put God back into everything and there is a small chance that your country could survive but it would have to be NOW! There is no time left. You have to stand up for God and run satan from your country, your government, and your churches. This is your simple answer, America, and all the world...” (God the Father)

October 28, 2016

“I come to tell you to tell everyone to be ready for the Warning at any time. With the elections and all the turmoil in America, the Warning may have to come soon...” (Jesus)

Also, since January (2016), the Blessed Mother, Jesus, and various Saints, have been giving very serious messages about the future of my country, in relationship to the U.S. Presidential Election, at Holy Love Ministry. The messages escalated in urgency until this bombshell was revealed by the Blessed Mother in late September:

September 24, 2016

“...I have come to tell you that the First Seal (of the Apocalypse) has been opened. Now is the time when hearts and nations will be conquered. Evil plots in hearts will be manifest and much good will be destroyed...”

Maureen: “Blessed Mother, I don’t know what this means about the Seal. Can you explain it please?”

*“There are as many interpretations as there are scripture scholars. **I can tell you this – it marks the beginning and the end – the beginning of Christ’s Reign and the End Times is at hand. The end of God’s Merciful restraint of His Justice is upon you.** Many have believed that this Seal was already broken. However, I tell you today that there will be more profound struggles between good and evil...”*

September 25, 2016

“These times, now upon you, have been written in the Father’s Heart for all ages. It has been His Prayer that mankind would be delivered from these events. As it is, they have come with

stealth and go unnoticed by most. Liberal, amoral thinking has been the stepping stone into this age and prompted the breaking of the First Seal..”

God bless us.

PART IV. APPROACHING AMERICA’S BRINK

Since June (2016), I have been writing a series of commentaries to help people prepare for prophetic events that were seemingly on the horizon for my country, *America*, and the world. It seemed so likely that The Great Warning would be happening this Fall and we were not going to make it to the U.S. Presidential Election.

I tried to help others through my blog, *MaryRefugeOfHolyLove*, to pray for peace. I publicized many prayer efforts that were taking place in my country. Meanwhile, I asked in my commentaries for people to pray for America, that we make it through this difficult time. There were so many intentions that needed to be prayed for, because it seemed like my country and the world were in trouble on several different fronts...

So, I simply asked people to pray for a “good outcome” for everything. Myself, I would pray for a “good outcome” to “every possible situation, issue, problem, event” in the world. Myself, I would pray for all the intentions of the Blessed Mother leaving everything—every outcome—up to Heaven.

And I know that many people prayed this way, because I simply knew that Our Lady was guiding us—all people, my country, the world—through the various spiritual obstacles and physical roadblocks that satan was spewing on the world’s path to November 2016. Our Lady knew what She was doing and I simply trusted in Her intercession to get us through this “mess.”

I hoped. I prayed. I trusted. I loved.

Meanwhile, I began to realize something very profound. I began to see a “higher divine truth” in the various messages between the different bodies of heavenly messages that I promoted. I began to understand in a very profound way what the Divine Plan of Our Father is and how everything was unfolding. I finally began to understand why the various prophecies were so “different” from one another.

I began to understand very profoundly why Our Lord had placed very strongly the desire in me to help during The Great Warning 14 years ago. I began to understand that my blog, *MaryRefugeOfHolyLove*, had been created for this very purpose—

My country, *America*, was being brought to its “brink.”

The Presidential Election was my country's final "turning point." Would we "turn back" fully to follow God and His Ten Commandments? Or, would we march forward towards a one world order and loss of all freedoms and individual rights?

When I realized that this is what God was doing—bringing my country, America, to its brink, I even wrote a commentary to alert others. It is called, [**"Coming To America's Brink, 4 Seconds To Change An Entire State's Voting Results, And More"**](#). And in the commentary, I reflected upon several messages that Our Lady spoke in Locutions To The World about bringing people, societies, and nations, to the "brink" to wake them up from their spiritual slumber—their sins.

I am reminded now of the words from Our Lady in a certain locution message. Here is an excerpt:

March 7, 2012
"Marrying the Wrong Husband"

"Am I powerless? Need I stay out of the coming event that will shape the world? Can I not intervene? I will not stay on the sidelines while the fate of the world is being written and when mankind is about to take a turn toward destruction."

Brink of Destruction

"That is the state of the world. It is on the brink of destruction. The powers of destruction lie in the hands of those who are controlled by Satan. All of this is new. The level of destructive power has never been this high. The extent of these powers has never been so broad..."

The Prince of Peace

"...One day, I brought forth a child. He is the Prince of Peace. He is the true Lord of Lords. He is the King, a loving and gentle King, who wants only life for you. Foolishly, you have set him aside. You thought you did not need him. You called yourselves secular. You declared a separation of earth from heaven. You have gotten your separation papers because heaven only comes when it is invited. However, hell comes whenever it chooses."

"You have separated from heaven and you are now joined to hell. I will say this clearly. You are engaged to hell and if you keep going, Satan will become your bridegroom and you will have married the wrong husband."

"I cannot allow this to happen. I will act quickly. I will save those who can be saved. I can no longer be a gentle mother. A fire is burning and I must save my children."

Other words of Our Lady and Our Lord through Holy Love Ministry also supported the idea that Heaven was bringing us to America's brink, and in turn, the entire world. Here are some excerpts:

October 7, 2016

Feast of Our Lady of the Most Holy Rosary – 3:00 P.M. Service

Our Lady of the Most Holy Rosary

*"...Today, dear children, as you pray your rosaries, pray for the victory of good over evil. **The upcoming election in this country will affect all people and all nations, as the new president will set policies in place which will carry worldwide implications...**"*

*"...The struggle has been set between good and evil. **You cannot have two diametrically opposed forms of government. One will have to take power.** Do not be led by compromised Truth, but by the Light of Truth itself."*

*"In your hands, dear children, you hold the weapon that can expose evil and destroy Satan's evil plans. It is your rosary. **With the power of your loving rosaries, Satan will not be able to complete his plans for the destruction of the world and he will be defeated. Much of what the dragon plans to destroy will be protected.** You yourselves will find a path of light through the darkness, but you must pray..."*

*"...Dear children, I have called you here today to encourage your devotion to the Rosary of the Unborn. You must believe in the difference your prayers are making in the world all around you. **The rupture of the First Seal (Rev 6:1-2) does not make your prayers ineffective, but stronger...**"*

November 6, 2016

"I am your Jesus, born Incarnate..."

***"...The candidates for presidency could not be more diametrically opposed. The future of your nation and of the world depends upon the outcome of this election.** Choose according to Holy Love..."*

Also, these two messages from Jesus through Prophet John Leary made it apparent to me that we were being brought to America's Brink. The choice between True Good and the choice between true evil in this presidential election. Here are excerpts:

Thursday, June 9, 2016

Jesus said: *“My people, if you could only see how powerful your prayers are for helping sinners and the souls in purgatory, you would be praying a lot more hours than you do now. I cannot emphasize this prayer power more because your world is in great need of more prayers. I have to depend on My prayer warriors every day because the evil is choking many souls who give into sin of their own free will. This is why I told you to make up any rosaries that you missed on the next day. My Blessed Mother has told you with her many messages, that if enough people prayed, you could stop abortion and many other evils of your world. So remember to pray daily for all sinners and all the souls in purgatory.”*

Thursday, July 28, 2016

Jesus said: *“My people, if your election is allowed to continue, your people have a choice to choose a new direction back to a Constitutional government with Me in your legislation. When you choose Godless socialism, you are following the one world people who are led by Satan. Do not believe the lies and false promises of the socialists because they are leading you to a dictatorial communist state that will take away all that you own. If your people do not repent of their sins, and take back control of their country, you will have no country, and you will be a part of the North American Union.”*

God bless us.

PART V. A GOOD PROPHECY

Tuesday, November 8, 2016, Presidential Election Day, was the day of my country, America's, reckoning—its Brink.

I woke up that day calm and hopeful for the future. I had mailed my vote-by-mail ballot the other day and I went to my fulltime employment in good spirits that my country would make the “best” choice for President.

I prayed throughout the day the angel prayer that the Blessed Mother had given in her [October 20th message](#) at Holy Love Ministry for election day.

I also prayed throughout the day the [Flame of Love Hail Mary prayer](#) for satan to be blinded by the Light of the Immaculate Heart of Our Lady.

Throughout the day, I would also make sneak peeks at the online news, which made it appear that Democratic candidate, Hillary Clinton, was in the lead with exit polls. But, this did not seem to me to be the reality of the situation, as I just knew in my heart that Donald Trump had the edge in rousing the populace to vote for him. I continued to hope.

Then, 5pm came and I was off-work. I had been anxious for 5pm to come, because I really wanted to pray more ardently for a good outcome to the election. I checked the online news and Hillary Clinton was still in the lead.

Since I live in California, 5pm for me was Pacific time, which is 3 hours earlier than New York and the eastern part of the country. So, by the time 5pm rolled around for me, it was 8pm for a lot of the country, so voting had already finished.

I thought to myself, would my prayers still matter now? Half the country has already finished voting and I live in the most liberal state of the country—I already knew that most of California would be voting for the wrong candidate, so my vote would not “count” for the electoral college. But, despite any doubts, I began to pray most ardently for the “best” outcome.

I was on the bus for two hours for my daily commute home. I spent the entire time praying the angel prayer and the Flame of Love Hail Mary prayer over and over again.

I continued to pray until 8:30pm, when I knew that California and almost all the country had finished voting. I looked at the online news and kept my eyes glued to the program until 3:30am (Eastern time) in the morning and I heard the victory speech of Donald Trump—

Donald Trump had been elected the 45th President of the United States of America!

However, I did not allow myself to get giddy with excitement. I wanted to see what Heaven had to say about it. I looked forward to Our Lady’s words at Holy Love Ministry. Here is what the Blessed Mother said in subsequent days—all good prophecies:

November 9, 2016

Mary, Refuge of Holy Love says:

“Praise be to Jesus.”

Our Lady is smiling.

“I have come to congratulate you and your country on your choice for the next President. Many innocent lives in the womb will be spared now. Religious freedoms will be restored and preserved. Your Supreme Court will maintain loyalty to the Constitution. Progress will be made in becoming independent of foreign oil. Your country will regain its dignity, power and respect amongst friend and foe alike. I am very pleased. I could not tell you who to vote for. I could only make your choices more clear.”

“Continue to pray for your President-elect.”

November 9, 2016

Mary, Refuge of Holy Love says:

“Praise be to Jesus.”

“It is important to realize that it is not getting elected to office that brings about much needed change. It is the courage of the elected official to lead in righteousness that makes the difference. You have chosen such a one who will not falter under political pressure. No one can ‘buy’ his support. This is important for real change to take place.”

“You are about to see a return to Christian morals in this nation, as it sets an example for the world to follow.”

November 10, 2016

Mary, Refuge of Holy Love says:

“Praise be to Jesus.”

“I would like us to continue to celebrate the victory of Mr. Trump’s election to the White House. Many errors and weaknesses of policies will be reversed when he takes office. Your country will be more secure, as the borders will be reestablished. Evils will be overcome and this nation will be more financially secure. All of these things will be realized, as your leaders bring God’s Sovereignty back into the picture.”

“You can already feel the enthusiasm of greater security under God’s Dominion just by contemplating the new regime. Your nation was faltering on the brink of being led into the New World Order. Now it is taking a deep breath and regaining its sense of freedom, democracy and well-being.”

“I am taking a deep breath with you. Truth is victorious.”

Also, in subsequent days, I learned three important things.

One, I learned that when I had begun to pray in earnest for the election (5pm Pacific/8pm Eastern), that many Christians had started to pray at that same time, too, for the election. I posted an article about **[“Signs of Divine Intervention in Trump Victory”](#)** on the blog, ***MaryRefugeOfHolyLove***, about this very fact. And I learned that Catholics were also praying together for the election at that same time, too. For example, Catholics prayed through Church Militant TV, which kept running their online program for 10 hours until Donald Trump’s victory speech in the very early morning hours.

Two, I also learned that God and Our Lady had answered everybody's prayers for the "good"—best—outcome for the election. How is this so? Not only did America elect a Republican President, but America also elected a majority of Republicans to the U.S. Congress—both the House of Representatives and the Senate. And America also elected a majority of Republicans to the Governorships in the country and a majority of Republicans for most state legislatures.

This is Truly a *Miracle!* And a *Great Miracle* especially for the unborn babies!

And three, from insight gained from A Friend of Medjugorje (<http://www.medjugorje.com>), I found out that the date we learned that Donald Trump was our new President was 11/9—the reverse date of 9/11. *It is amazing!*

God bless us.

PART VI. WHAT IS TRUTH?

Up until now, I have given personal insight into myself, *a soul*, and have discussed America being brought to its Brink during the presidential election... Now, people may be still left wondering, what is the Truth? Which prophecies and chosen messengers are true and which ones are false? Can we still believe in Prophet John Leary and all the rest?

What is my response...?

I, *a soul*, have learned through this experience and my discernment of spirits that all the chosen messengers and prophecies that I promote on my blog, *MaryRefugeOfHolyLove*, are true.

Yes, even the seemingly different prophecies are true. Everything that I have discerned is Truth in the Eyes of Our Heavenly Father...

Now, I will explain. First, I will re-share an excerpt from that I wrote in a commentary during the summertime. It is called, ["A Fork in the Road - Two Paths for the Future of My Country USA"](#). Then, in Part VII, I will share two heavenly messages that will help to explain it all, as well as Holy Scripture.

Here is the excerpt from my previous commentary:

BEGINNING OF EXCERPT—

Now, people reading this commentary may be asking themselves, how I can believe in both sets of messages, as one set seemingly talks about the loss of freedoms in America and around the world, hiding out in refuges throughout the Great Tribulation, and a terrible reign under the antichrist, etc.; while the other set of messages, talks about the Blessed Mother's Immaculate

Heart being the Refuge for all people and makes it seem like things will be alright in the U.S., with no mention of things discussed by Jesus to Prophet John Leary?

One may ask, how can both sets of prophecies be right? How do I, a soul, reconcile them?

Well, as I have mentioned before, when I read and discern heavenly messages, I do not read them for prophecy. I discern them based on higher Truths. I read them for heavenly wisdom and to follow God's Divine Will. Prophecy is a secondary matter for me of far lesser importance.

Since January (2016), the Holy Spirit has been leading me to reflect upon several truths for a special writing, which I hope to finish in the next few months. Tentatively, I have titled this special commentary, "Understanding the Divine Will, free-will, and prophecy in the Divine Plan," and I ask for prayers, as I continue my work in the spirit. Meanwhile, I will try to explain a little bit from my reflections, so people can understand a little bit on how to reconcile different prophecies. I hope this is helpful!

*In my recent special commentary, "**The Divine Plan and New Jerusalem**" (<https://maryrefugeofholyllove.com/the-divine-plan-and-new-jerusalem/>) I wrote these words:*

"...As revealed in Locutions To The World, in the Mind of the Godhead, the Heavenly Father always has foremost in His thoughts the Perfection of His Divine Plan as if Adam and Eve had never fallen. Yet, on earth, it is witnessed the reality of the Original Fall and the passage of time in which each of His children struggles for salvation and holiness every present moment until the appointed time of their death.

At every present moment on earth, God the Father is weaving a huge tapestry of His Divine Plan for His human family through grace. Every person and their life choices are woven into this great tapestry and through the interactions of individual free-will with heavenly grace, God the Father seeks the perfection of His Original Divine Plan.

Anytime an individual's free-will thwarts heavenly grace, God the Father seeks the next best alternative in each present moment for that person so that the great tapestry of the Divine Plan continues to be woven. The more a person surrenders to the Divine Will, the better the outcome in the great tapestry, for it will be the "best design" for that individual and the entire human family..."

I included the above words to illustrate a point. We, mankind, view history and the future of the world far differently than the Heavenly Father. Let me explain.

We, mankind, live in a “linear” existence. Everything is one straight line. We live in “time” where actions progress linearly—one point at a time—present moment following present moment, etc.

We think linear and we act linearly.

The Heavenly Father does not view the earthly world in a linear manner. Only the past is linear, because time has passed and history has been settled, but the future to the Heavenly Father is multi-faceted—

When the Heavenly Father views the world and its future, He looks through the “lens” of His Original Divine Plan, as if Adam and Eve had never fallen. Then, in each present moment, He sees the future and all the possible deviations from His Original Divine Plan. These deviations are known as sin. And accordingly, He adjusts His dealings with mankind so that the objective for Creation is always maintained for the Glory of God.

Thus, prophecy given today can and will be changed and mitigated according to prayer, grace, and free-will. Thus, the prophecies given to Prophet John Leary, messages through Holy Love Ministry, and yes, even the Book of Truth (Maria Divine Mercy) and yes, even the Book of Revelation (Holy Scripture), can be changed and mitigated—all in accordance of God’s Divine Will and for His Greater Glory.

The more we conform ourselves to the Divine Will, the better the future for all mankind.

—END OF EXCERPT

God bless us.

PART VII. DISCERNMENT OF SPIRITS

I hope that the excerpt from my previous commentaries helps people to understand better and how to discern prophecies and heavenly messages properly.

People tend to get confused and tripped up thinking that if a prophecy is not fulfilled, that the prophet or chosen messenger is false. But, using fulfilled or unfulfilled prophecy as a litmus test for whether a body of heavenly messages is true or not is not correct discernment of spirits.

Otherwise, Jonah would be a false prophet in Holy Scripture and Prophet John Leary is a greater prophet than Jonah... John has spent over twenty years preparing people for the test of free will that came for my country, *America*, in the great moment of our presidential election.

John Leary should be commended for his fidelity to the Divine Will of Our Heavenly Father, as *Jesus* and the Blessed Mother have been preparing Their children for a free will moment in which the outcome for the future of the world could go either way—towards Good or towards evil. God used John to prepare for dual competing realities for my country and the world.

Now, that my country made the right decision to follow Our Father's Divine Will, I so look forward to the new set of messages from John Leary that will be forthcoming from *Jesus* after this election. I look forward to discerning what will take place next in the unfolding Great Divine Plan of God for the End Times.

Meanwhile, I want to provide some Holy Scripture and some heavenly messages to support what I am addressing in this commentary. Firstly, here is Holy Scripture which warns that prophecy is never perfect that people should reflect upon for greater fruit in their discernment of spirits:

First Letter to the Corinthians, Chapter 13, Verses 9-10

“For our knowledge is imperfect and our prophecy is imperfect; but when the perfect comes, the imperfect will pass away.”

Next, I want to provide two entire heavenly messages given by Our Lady and Our Lord in Locutions To The World that speaks about how Our Heavenly Father views the future of the world and how free will works with mankind. It supports the excerpt that I included in Part VI from my previous commentaries:

January 26, 2012

“A World Made Vulnerable By Globalization”

MARY

“No one knows all that lies ahead, no king, no president, no rich man and no poor man. The future remains hidden to men. They can only experience the present and remember the past. The future always remains a mystery, hidden in God who sees the events.”

Events Distorted By Sin

“Yet, these events do not just pour out of God's mind. They are not like the seasons of the year which he determined by creation. The events are subject to human freedom. They lie in the hands of men who choose to obey or disobey God. This is my teaching.”

“God sees events as they should happen, what would take place if men would live according to His word. Now, however, events are distorted by sin. They happen, but not in the way in which God originally intended. Much is determined by the free will of man.”

“The Father sees these distorted events of the twisted future. He sees the pits into which mankind will fall. He sees the agony which will be brought on by the destructive forces which man has created. He sees the path on which man is headed, a path which man himself cannot see. He sends me to speak of these future events so mankind has an opportunity of turning away, or, at least, to prepare for them. They will happen quickly, one after another. In fact, one event will cause the other. If one part of the building collapses, the other parts are weakened.”

Globalization

“The events are all tied together. They are cleverly interconnected and mankind has no idea of the system which Satan has built, a system without safeguards or fire walls. Globalization has made mankind extremely vulnerable, with one event triggering another. This is the future, a series of events in which the two elements of shaky financial structures and destructive weapons interact and worsen one another. All of this is easy to see on the horizon, but no one calls on heaven for help. When will mankind receive my message? Your earth is in grave danger. Events lie in the near future. Heaven wants to help but you must call out “day and night”. ”

December 23, 2012 “The Drama of Human History”

JESUS

“All ask how this will end. The answer lies in the hands of the human race. God does not write history. He does not tell each person the role they are to play. He creates each person and has a reason for each person’s existence. All, however, are free. As they freely act on the stage of life, human history evolves and comes forth. How does God guide history if all depends on man’s free will? He stirs up his chosen ones. He places great desires in their hearts. He enlightens their minds, shows them what to do and blesses their undertakings. Some he makes warriors who destroy evil. Others, he makes builders who provide for many. Still others, he calls in a special way to himself so they can guide all in his ways.”

“You, reader, I call to this special task. You are on the stage of human history. You have a free will and some years left in your life. If you are willing to offer yourself, I will raise you up to save human history.”

MARY

“The challenge is gigantic. Do not be overwhelmed by all the evil that you see. Come to me and I will prepare you, just as Rebecca prepared Jacob for his father’s blessing.”

“Everything lies in the blessing. The blessing has power, light, protection and wisdom. All is contained in the blessing which is waiting for you in my Immaculate Heart. How often must I repeat the same truth? My Immaculate Heart is the secret to world peace. I will empower all who enter with the greatest gifts.”

God bless us.

PART VIII. THE POWERFUL STREAM OF THE DIVINE WILL

Now, some people may still question my interpretations about how Our Heavenly Father views the future of the world and free will of mankind—all of which I based on my study of heavenly messages and prayer of many years. Particularly, people may ask, but that does not make sense with how prophecy was used in the Old Testament? All ancient prophecy about *Jesus* pointed to one reality for the future—in which He suffered, died on the Cross, and was raised up in the Glorious Resurrection. Was there a reality in which Jesus was never crucified and never rose again?

Now, as I have always said, I am imperfect and I do not claim perfect discernment. I continue still to study heavenly messages and ask for enlightenment from the Holy Spirit in prayer. But, there is one certain message in Locution To The World that I look to, to provide the answer to these questions that “scholars” may have.

In the particular locution, Our Lady discusses the “powerful stream” of the Divine Will. I do not claim to fully grasp everything about the Will of God, but I want to share the entire heavenly message here, because Our Lady discusses the differences in the Divine Plan between Old Testament and New Testament times. The Life, Death, and Resurrection of Our Lord, *Jesus Christ*, fundamentally changed the future of humanity in relationship to the Divine Will and Divine Plan.

And so, rather than try to explain this divine truth and reality with my inadequate words, I am including the entire message for others to discern and reflect upon for further insight themselves in prayer:

March 18, 2012
“A Powerful Stream of “Yes”

“There is a powerful stream, filled with every blessing which flows in the very center of human history. This stream also flows in the center of every human heart. This stream exists for every person in the whole world. The stream is so powerful that once the person yields to it, it will carry the person along and keep them safe. It is the saving stream. This is the stream of God’s will which I will explain by easy to understand images.”

“Some people think that God’s will is just words, like commandments or warnings given by parents to their children. Really, God’s will is a power, a force that is irresistible if only the person consents and says “yes”. That is all God needs, O reader, your permission.”

A Flow of Images

“I will continue with my images. All the world was created by the power flowing from God’s will. All creation was united to God by the power of this will. Then came forth a new word, a strange word, a word never heard before. Mankind said “No” to God’s will and sin entered the world. God’s powerful stream with all of its healing powers, with all of its powers to bless man, no longer was at the center of human creation or even at the center of each human heart. “No” had replaced “Yes”. Rebellion had replaced obedience, and, unfortunately, curses had replaced blessings. So, for centuries the human race was cursed and earth became a place of suffering and sorrow, a valley of tears.”

A “Yes”

“Then, I gave birth to Jesus, who always was a “Yes” to God’s will, even to his death on the cross. A new stream of God’s will began to flow and I was its first recipient. It flowed in the middle of my heart and, later, in the hearts of the believers. However, it did not flow, as it formerly did, in the center of human history because the world rejected him (even Israel rejected him).”

Today’s Situation

“This is the way it is today. This powerful stream of God’s will flows within some people and not within others. Also, this stream is not flowing in the center of human history because many cultures reject it. But a time will come, when the heavenly Father will give all of mankind another moment, another opportunity that this powerful stream will once again flow in the center of human history. Obviously, the gift can only be given with extraordinary signs and divine powers, but this will take place (more quickly than many realize).”

A Personal Gift

“The following, however, is my teaching. Even before these extraordinary events, the Father will pour out this powerful, life-giving stream from my Immaculate Heart. This stream will bestow unimaginable blessings upon all who open their hearts to receive. Most important, no one has to wait for that future, extraordinary event. That is what I reveal today. This stream already exists and anyone who wants that stream to flow in the center of their heart need only seek it in my Immaculate Heart. So, come into my heart in your prayers and your desires. If you come, I will promise to teach you how to open your heart to this powerful stream of Gods’ will.”

God bless us.

CONCLUSION

It is my hope that this commentary benefits and helps many people.

I look forward with renewed hope for the future of my country, *America*, and the entire world. Although the First Seal of the Apocalypse has opened, I have great hope that the Author of Life will rewrite the pages of the Book of Revelation for a bright future for humanity.

I look forward to new messages given at Holy Love Ministry, to Prophet John Leary, and by Our Lady of Medjugorje, etc. I want to learn more about the Most Sacred Chambers of the United Hearts of Jesus and Mary—the spiritual journey given to us to follow through Holy Love Ministry, etc.

I look forward to gleaming more divine insights from heavenly messages given through Locutions To The World and also, on the Eucharistic Reign of the Child Jesus, as spoken by Our Lady of Emmitsburg, etc.

Meanwhile, I conclude this commentary with the words of Our Lord spoken today at Holy Love Ministry. They are fruit for thought. ***God bless!***

"I am your Jesus, born Incarnate."

"As you begin to understand the immense impact of this unprecedented political victory in your nation, please understand that the conscience of your country was touched and moved by heavenly grace. If the results had been reversed, poor and compromised judgment would have led this nation into its demise. So, once again, I come to thank each one for accepting the grace of recognizing good over evil. We can move forward now together on the same path of

victory. *Human rights from conception to natural death will be championed. ISIS will be identified and confronted. Your Supreme Court will return to a God-given orientation. Much more will be accomplished which has been torn apart by far left political support."*

"I rejoice with you."

“Marrying the Wrong Husband”

MARY

“Am I powerless? Need I stay out of the coming event that will shape the world? Can I not intervene? I will not stay on the sidelines while the fate of the world is being written and when mankind is about to take a turn toward destruction.”

Brink of Destruction

“That is the state of the world. It is on the brink of destruction. The powers of destruction lie in the hands of those who are controlled by Satan. All of this is new. The level of destructive power has never been this high. The extent of these powers has never been so broad.”

“The usual response to these destructive powers has been force. Yet, what force can be used? Would not the retaliatory force also play into Satan’s hand? Killing is his goal and suffering is a sign of his presence.”

“Day after day, Satan’s works go on. He puts his plan into action, stirring more and more hearts in his flame of anger. Look at the Middle East. It is aflame with the satanic fires and this is only the opening act, taking place in front of the curtain. Wait until he pulls back the curtain and unveils more of his plan.”

Satan’s Drama Unfolds

“The longer I am not invoked, the longer his drama is allowed to unfold. The more he can place his people on the world stage, armed with his destructive powers and enlightened with his Satanic darkness, the more the world will be shaped in Satan’s image and likeness, the gruesome image of death.”

“O world when will you turn to me, the Woman clothed in the Sun? I am speaking to you now, while it is just his first act and this deadly drama has only begun. I will say it again.”

“The uprising in northern Africa and in the Middle East are only the opening scene, to give you a preview of what is to come. This is not a musical or comedy. The director has already introduced you to the drama’s theme and purpose. The theme is violence, unrest, hatred and destruction. Through the people who he controls, Satan wants to rule earth.”

The Prince of Peace

“One day, I brought forth a child. He is the Prince of Peace. He is the true Lord of Lords. He is the King, a loving and gentle King, who wants only life for you. Foolishly, you have set him aside. You thought you did not need him. You called yourselves secular. You declared a separation of earth from heaven. You have gotten your separation papers because heaven only comes when it is invited. However, hell comes whenever it chooses.”

“You have separated from heaven and you are now joined to hell. I will say this clearly. You are engaged to hell and if you keep going, Satan will become your bridegroom and you will have married the wrong husband.”

“I cannot allow this to happen. I will act quickly. I will save those who can be saved. I can no longer be a gentle mother. A fire is burning and I must save my children.”

Our Lady is here dressed in white and gray. She says:

“Praise be to Jesus.”

“I have come to tell you that the First Seal has been opened. * Now is the time when hearts and nations will be conquered. Evil plots in hearts will be manifest and much good will be destroyed.”

“You, My children, must unite in the Truth. Do not delay. My Son will assist you. I offer you the grace of the Refuge of My Heart. Do not allow labels such as Catholic or Protestant to divide you. We are all one in the trials which are here and lie ahead. Pray for wisdom and perseverance. Do not be fooled by title, authority or influenced by ill-gotten power.”

“I have come to persuade you into Holy Love which is a universal call to all.”

Maureen: “Blessed Mother, I don’t know what this means about the Seal. Can you explain it please?”

“There are as many interpretations as there are scripture scholars. I can tell you this – it marks the beginning and the end – the beginning of Christ’s Reign and the End Times is at hand. The end of God’s Merciful restraint of His Justice is upon you. Many have believed that this Seal was already broken. However, I tell you today that there will be more profound

struggles between good and evil. There will be consequences to evil acts that can only be interpreted as God's Justice, if wisdom intercedes at all."

"This is why I plead with all Christians to unite and act with one heart towards the welfare of all."

*** Read Revelations 6:1-2+**

Synopsis: Each of the Seven Seals represent the unleashing of afflictions reserved for sinful men found in a list hidden in the scroll which only the Lamb of God will break open as reserved to Him in carrying out the Divine Plan. Each of the Four Horsemen symbolize a particular woe connected with woe and destruction.

Now I saw when the Lamb opened one of the seven seals, and I heard one of the four living creatures say, as with a voice of thunder, "Come!" And I saw, and behold, a white horse, and its rider had a bow; and a crown was given to him, and he went out conquering and to conquer.

Our Lady comes once again in white and gray. She says:

"Praise be to Jesus."

"These times, now upon you, have been written in the Father's Heart for all ages. It has been His Prayer that mankind would be delivered from these events. *As it is, they have come with stealth and go unnoticed by most. Liberal, amoral thinking has been the stepping stone into this age and prompted the breaking of the First Seal. Now you will begin to see more and more illicit conquests by aggressive countries. Violence and terrorism will intensify. Unless people have recourse to prayer and sacrifice, their security will be at a minimum."*

"This is the most treacherous time to abandon the faith. However, it is a time when faith will be at a premium. Man will continue to try to solve his problems apart from God."

"I tell you these things now to help you to keep your faith as events progress. I am with you and close to you. My Immaculate Heart is always your Refuge. As events mount to a crescendo, call on Me."

Feast of Our Lady of the Most Holy Rosary – 3:00 P.M. Service

(This Message was given in multiple parts over several days.)

Our Lady comes all in white. She has glittering lights around her. She is framed in the Rosary of the Unborn and is holding the Rosary of the Unborn. She says:

“Praise be to Jesus.”

“Today, dear children, as you pray your rosaries, pray for the victory of good over evil. The upcoming election in this country will affect all people and all nations, as the new president will set policies in place which will carry worldwide implications. There is an undercurrent of evil trying to influence the outcome of this political race. Threats and promises have been made. Laws have been broken and whole institutions have been compromised by bad politics. Ambition in some hearts has taken on epic proportions.”

“The Trojan Horse in all of this is compromised Truth. People unwittingly invest their support in disingenuous political figures who will never deliver on their false promises. If these are the ones to assume leadership, much in the way of prosperity and freedom will be lost.”

“The struggle has been set between good and evil. You cannot have two diametrically opposed forms of government. One will have to take power. Do not be led by compromised Truth, but by the Light of Truth itself.”

“In your hands, dear children, you hold the weapon that can expose evil and destroy Satan’s evil plans. It is your rosary. With the power of your loving rosaries, Satan will not be able to complete his plans for the destruction of the world and he will be defeated. Much of what the dragon plans to destroy will be protected. You yourselves will find a path of light through the darkness, but you must pray.”

“The reason so much of this Ministry and the Messages** themselves are focused on the protection of life in the womb is that legal acceptance of abortion has replaced love of God and neighbor in hearts with love of self. Fulfillment of God’s Commandments is no longer a concern. Mankind’s free-will choices are the main priority. Protection of the right to lead sinful lives has permeated the highest court system.”*

“All of this has obscured the difference between good and evil in hearts. This is why the conscience of the world is so confused that it cannot distinguish honesty from dishonesty in leadership. This is why poor leadership is an alternative and is even considered in the election upcoming in this country.”

“Grave concessions have been made to evil. Now it is more Satan leading this country than God. Dear children, we must courageously persevere in prayer. Prayer is the ballast holding this nation in some frail form of righteousness.”

“Dear children, I have called you here today to encourage your devotion to the Rosary of the Unborn. You must believe in the difference your prayers are making in the world all around you. The rupture of the First Seal (Rev 6:1-2) does not make your prayers ineffective, but stronger.”

“These days you have dangers all around you – terrorism and a great hurricane encroaching upon your borders. There are hidden dangers in hearts and many dishonest agendas in the minds of certain politicians. If you continue to pray your Rosary of the Unborn, perhaps Jesus will allow the fog of confusion to be lifted from the heart of the world so that all can see that abortion is the sin that catapults the world towards destruction.”

“I come to you to make you stronger and more resolute in putting an end to abortion. Great and manifold graces would flood the world if you would listen. The future would be changed and you would be at peace. God’s Will would rule hearts.”

“Dear children, today I promise to take all of your concerns to Heaven with Me and place them in the Heart of My Son. Do not fear for any grace – for I am the Mother of Grace.”

“Dear children, it is My Joy to spend these short moments with you during these apparitions; but in Heaven, I will be with each of you always – if you earn your salvation through Holy Love. I am looking forward to that.”

“Today, I’m blessing you with My Blessing of Holy Love.”

“I am your Jesus, born Incarnate.”

“When you cast your ballots for this person or for that, remember your decisions and opinions follow you into eternity. Therefore, be certain your choices reflect Holy Love. You must not concede on any issue – the right to life, the embrace of the Constitution, affordable healthcare or the honesty of the candidates themselves. To concede on one issue is to compromise on them all.”

“The candidates for presidency could not be more diametrically opposed. The future of your nation and of the world depends upon the outcome of this election. Choose according to Holy Love.”

“Do not be afraid of opposition to your choices as they affect you. Be cautious of such opposition as it affects the heart of the world. The more liberal the conscience of the world, the farther it is from the Will of God. An amoral society, full of collusion and corruption, does not bode well for a nation that seeks the respect of other nations or that should be a world power.”

“I would like to tell you everything is straightforward and honest, as it should be, in this election, but it is not so. Pray that cyber piracy is uncovered and voter fraud remedied. I am praying with you.”

Holy Family Refuge Messages

January 23, 2016

Come Holy Spirit, Holy Family, and St. Michael with God the Father's words

My most beloved son and all My children, I love all of you dearly. Do not let satan be your god any longer. I want every one of My children to be in My arms and hold them dearly next to My heart. My children, I suffer with you every time you suffer. I have to let you suffer when you need to be corrected. It is not what I want but what you want by doing satan's will and not My Will. All the storms and natural disasters are all caused by the sins against the Ten Commandments that My children are committing. I am all love and it takes tough love to bring My children back to Me, your God. Satan is all hate and he will do anything to steal or kill My children and make them suffer. Because of your free will I have to let you suffer here on earth to save your souls. This is why I tell you I am all loving, but I must be all just also for the sake of your salvation. You must be in a state of grace and ask for My forgiveness before you die or other faithful Christians must pray and suffer much for you to help save your soul with much cleansing for you in Purgatory.

You are all brothers and sisters in God because I made all of you in the beginning of time, and you are all responsible to help each other save their souls. I also made all the angels and some of them fell away from My Will and are now suffering in hell because they wanted to do their own will for all eternity. They are now trying to take all of My children with them to hell so they can torture you for all eternity. Please ask forgiveness for all your sins with your heart and I will forgive any of My children no matter what kinds of sins they committed. Did I not take the good thief on the cross at My right side to Heaven the very day he asked My forgiveness with an open heart? And, I would have taken the other thief on My left if he would have asked for forgiveness from his heart.

Please pray for My messengers, and prophets, and My refuge builders right now for satan is attacking them greatly now that My time is getting so close when the 'Our Father' is being

fulfilled—Thy kingdom come, thy Will be done on earth as it is in Heaven. Yes, My children, your earth and world is about to be cleansed like in the time when all the evil angels were cast out of Heaven and into hell and when I cleansed the earth during Noah and the floods time. Yes, My beloved children you are about to see cleansing of the earth again. Are you ready? If not, please ask My forgiveness with your heart. The time is growing short and eternity is forever. I love all of you.

Your Father from Heaven

January 24, 2016

Come Holy Spirit with God the Father's words with St. Michael's protection and all of Heaven

My beloved children this is your Father in Heaven. Please stop abortion now or your country, America, will be no more as I made it. It will be totally destroyed and taken over by the evil ones and satan. You are already a Communist run country by your Communist President. He is controlling everything. All of your good leaders and all the branches of government are being threatened or killed by satan and his demonic people who are now running your country and most of the top leaders in your country. It will take much prayer and suffering to turn this around.

I, God the Father, am about to give the Warning talked about in Revelations. Please have your souls purified and ready by asking and begging My forgiveness. I am an all loving God but I am asking and begging you to come to Me and ask forgiveness before the major chastisement when you will see your soul in an out of the body experience when you will see Heaven, Purgatory, or hell according to where you would go if you would die that very day. But, I God the Father am giving you a special grace that has never been given before because the times you live in are the most evil times the world has ever seen.

It started when Adam and Eve sinned and every generation gets more evil. I purified it during the time of Noah and the Ark and then it started over again. Then each generation started to get evil again until the people in your world are now the most evil that the earth has ever seen. The Ten Commandments have been totally thrown out of your top leadership and they have taken the majority of the people with them in one way or another. They have taken God out of everything they can and have forced you to live their way or suffer dearly to live God's way. But, I am your God and I will never leave you. I am still in control of everything. There is only one thing you have to do and that is to say, 'God the Father, please forgive me for all my sins' with a loving and forgiving heart and forgive all your brothers and sisters, and stop sinning and start worshipping Me your real God and Father and the Maker of all things that ever was or ever will be made that is good. Satan takes everything I, your God, makes and just turns it around and makes it evil. Most of My children just need to stop and turn around and look to Heaven and not down to earth and ask forgiveness and they will be saved.

The world runs clockwise like the clock runs, but the spiritual world runs counter clockwise. The spiritual world goes from your right hand out to people and the evil world goes out from your left hand. You always greet people with your right hand. That is God's anointing hand and the hand that the priest blesses you with. So, please turn around and start moving toward Heaven and walk away from the earthly things and have peace and happiness instead of sickness and hell on earth.

Love, God the Father of Heaven and earth

I am waiting for all My children. Love, love, and more love. God bless.

March 16, 2016 @ 3:00 pm

Come Holy Spirit with St. Michael and all of Heaven to protect God's words to me

*My beloved son this is your Jesus of love and mercy. **You and all of your world are about to see the biggest shakeup that the world has ever experienced.** My Mother and I have warned all of Our children for years now and very few have listened. Very few want to listen to what My Mother and I are telling them. **The time has come and My Father is confirming that it is very, very close.***

The Warning has to come now because of all that the one world people have already planned and are already being enforced. *Be ready to see your souls the way that My Father and I see them. Please get to Confession this Lent, and there is not much time left before Easter. Divine Mercy Sunday is very near and your Pope has declared this Divine Mercy Year of 2016. I am telling all My children through all My messengers that you must be ready to see My God and your God face to face.*

*Do you remember when you did something wrong as a child and your father or mother had to correct you in a very harsh way for disobeying them because they loved you and what you did was bad for your soul and the health of your body. **You are about to see God the Father correct all of His children at the same time because they have done many things wrong that were bad for their soul and body and also could take them to hell for all eternity. He has no choice any longer but to act now like your parents had to act to save your soul and your body from much more danger. If He does not correct His children now, millions upon millions will die in the world and many more would lose their soul if it was not for this special grace and Warning to wake up the people of the world.***

Many do not even know that they are living in mortal and deadly sin that could take them to hell for all eternity if not corrected by their God now.** He will now show you your soul in all the ways that you are hurting your God from all the sins of the flesh such as abortion, living together as man and man, and woman and woman, and man and woman who are not married. **Most of My Father's children have forgotten the Ten Commandments. Your world has dropped about all of them except less than ten percent of My children.

This special blessing is about to be given by My Father and yours so you can repent and ask forgiveness from your heart so you can be in Heaven some day with all of the happiness, love, and joy that He intended for all of His beloved children. This message is very serious and critical for your souls so they are not in the burning fires of hell for all eternity and are in the loving embrace of Heaven for all eternity.

(God the Father) My beloved children, I God the Father have given you all the time that I can to ask forgiveness. Satan is about to destroy all your earth so the Warning must come now. You must repent and ask forgiveness now before the Warning so you are able to even face your God during the Warning. All My remnant prayer warriors who are still praying please, please pray for all of God's children who I love so much that I gave up My most beloved Son on the cross to save all your souls. Every one of My children are forgivable, but you must ask forgiveness from your heart and stop sinning and start following the Ten Commandments.

(Jesus) I forgave the good thief on My right when I was on the cross because he asked forgiveness. The one on the left would not ask forgiveness because of his hardness of heart. Please ask forgiveness. Love God the Father, Son, and the Holy Spirit.

This Warning is My love and gift to My children. Please take it seriously; it is real and it is serious. Please look at your world and see what satan and sin have done to your world and families. Amen.

Come Holy Spirit with God the Father's words to His children

My beloved son and children, your country America keeps wondering what to do to save your country and it is so simple. Your country is now being led by a communist leader controlled by the one world government which is controlled by satan himself. Your country was founded on God and the Ten Commandments. The only chance you have to survive is to put the Ten Commandments back into the government, your schools, and all of your work places. It is as simple as that. When a country is led by satan, it will not survive.

Your country was taken down by one commandment at a time. When your government threw out one commandment, they destroyed 10% of your country at a time. They destroyed 10% with the first commandment, 20% with the second commandment, 30% with the third commandment they took out, and then they finally threw out all of your commandments which destroyed 100% of your country. Your country destroyed itself from within.

You cannot survive as a country living on satan's rules. You must live by God's rules or you will be no more. The Roman empire and every country in the history of the world fell the same way. Without God, you will have no country. I and My Mother have been telling you this for years but you will not listen. Now satan will take you down because of your sins, America. I,

God the Father repeat, “WITHOUT GOD THERE IS NO COUNTRY!” I repeat it in the name of God the Father, “WITHOUT GOD THERE IS NO COUNTRY!” I repeat it in the name of God the Son, “WITHOUT GOD THERE IS NO COUNTRY!” And I repeat it in the name of God the Holy Spirit, “WITHOUT GOD THERE IS NO COUNTRY!”

Put God back into everything and there is a small chance that your country could survive but it would have to be NOW! There is no time left. You have to stand up for God and run satan from your country, your government, and your churches. This is your simple answer, America, and all the world. Love, the Father of All Creation. Amen. So be it.

Come Holy Spirit with God's words to His son with
St. Michael as guard and protector

My beloved son this is your Jesus of love and mercy. I come to tell you to tell everyone to be ready for the Warning at any time. With the elections and all the turmoil in America, the Warning may have to come soon. There is a good chance that your Communist leader will try to call martial law if he cannot control the votes of your people. The one world people do not want to change leaders when they have America right where they want them. But, many more people are starting to pray because their eyes are starting to see how your country has been controlled by evil people for many years. All your army and military leaders, who will not go along with the one world government, have been removed from their positions.

Be ready for something major to happen in your country so they have an excuse to call martial law.

You now have many people aware of how they replaced your leaders with foreign people who want to take America down and make it a third world country so the one world people can lead the world. Their goal, or satan's goal, is to get rid of the majority of the people in the world and have just the top elite people with the rest slaves to do their work. They want to make the world a playground for the rich and famous and get rid of all the sick and weak people. What they do not know is that the weak and sick people are My Mother's army with their rosaries in their hands and they will win any war if they use them more and pray more. I honor all My prayer warriors.

Satan will never win but he will cause a lot of sorrow for many of My children because they lost their way and followed satan. Satan is a loser and a thief and a liar and many other bad things. His only goal is to steal God's children and take them to hell. Satan's plans are nothing next to God's plans but My children have to ask forgiveness and start following the Ten Commandments and come back to their God. All the power that satan has, he stole from all of God's children that I gave them to use to save their souls. Satan is nothing without My children's help. Start taking your free will back from satan and give it to God to save your souls and let satan be cast back into hell without taking anymore of Heaven's children.

*To all Our loving children, it is time—and past time—to change. Your world is hanging by a thread ready to break and when it does everyone will be in the biggest disaster that has ever been since the beginning of time. **Your Jesus of love and mercy.***

BOOK OF REVELATION

Chapter 5, Verses 1-14

The Scroll and the Lamb.

1 I saw a scroll in the right hand of the one who sat on the throne. It had writing on both sides and was sealed with seven seals. **2** Then I saw a mighty angel who proclaimed in a loud voice, “Who is worthy to open the scroll and break its seals?” **3** But no one in heaven or on earth or under the earth was able to open the scroll or to examine it. **4** I shed many tears because no one was found worthy to open the scroll or to examine it. **5** One of the elders said to me, “Do not weep. The lion of the tribe of Judah, the root of David, has triumphed, enabling him to open the scroll with its seven seals.”

6 Then I saw standing in the midst of the throne and the four living creatures and the elders a Lamb that seemed to have been slain. He had seven horns and seven eyes; these are the [seven] spirits of God sent out into the whole world. **7** He came and received the scroll from the right hand of the one who sat on the throne. **8** When he took it, the four living creatures and the twenty-four elders fell down before the Lamb. Each of the elders held a harp and gold bowls filled with incense, which are the prayers of the holy ones. **9** They sang a new hymn:

“Worthy are you to receive the scroll
and to break open its seals,
for you were slain and with your blood you purchased for God
those from every tribe and tongue, people and nation.

10 You made them a kingdom and priests for our God,
and they will reign on earth.”

11 I looked again and heard the voices of many angels who surrounded the throne and the living creatures and the elders. They were countless in number, **12** and they cried out in a loud voice:

“Worthy is the Lamb that was slain
to receive power and riches, wisdom and strength,
honor and glory and blessing.”

13 Then I heard every creature in heaven and on earth and under the earth and in the sea, everything in the universe, cry out:

“To the one who sits on the throne and to the Lamb
be blessing and honor, glory and might,
forever and ever.”

14 The four living creatures answered, “Amen,” and the elders fell down and worshiped.

Chapter 22, Verses 6-21

6 And he said to me, “These words are trustworthy and true, and the Lord, the God of prophetic spirits, sent his angel to show his servants what must happen soon.” 7 “Behold, I am coming soon.” Blessed is the one who keeps the prophetic message of this book.

8 It is I, John, who heard and saw these things, and when I heard and saw them I fell down to worship at the feet of the angel who showed them to me. 9 But he said to me, “Don’t! I am a fellow servant of yours and of your brothers the prophets and of those who keep the message of this book. Worship God.”

10 Then he said to me, “Do not seal up the prophetic words of this book, for the appointed time is near. 11 Let the wicked still act wickedly, and the filthy still be filthy. The righteous must still do right, and the holy still be holy.”

12 “Behold, I am coming soon. I bring with me the recompense I will give to each according to his deeds. 13 I am the Alpha and the Omega, the first and the last, the beginning and the end.”

14 Blessed are they who wash their robes so as to have the right to the tree of life and enter the city through its gates. 15 Outside are the dogs, the sorcerers, the unchaste, the murderers, the idol-worshippers, and all who love and practice deceit.

16 “I, Jesus, sent my angel to give you this testimony for the churches. I am the root and offspring of David, the bright morning star.”

17 The Spirit and the bride say, “Come.” Let the hearer say, “Come.” Let the one who thirsts come forward, and the one who wants it receive the gift of life-giving water.

18 I warn everyone who hears the prophetic words in this book: if anyone adds to them, God will add to him the plagues described in this book, 19 and if anyone takes away from the words in this prophetic book, God will take away his share in the tree of life and in the holy city described in this book.

20 The one who gives this testimony says, “Yes, I am coming soon.” Amen! Come, Lord Jesus!

21 The grace of the Lord Jesus be with all.
