

My Advice To You

By a soul

(Feast of Our Lady of Carquere, Portugal, August 30, 2017)

Recently, a blog follower asked me for prayers and also, a word of wisdom for his situation. For quite awhile, he has been thinking about getting another job and relocating from the country he is living. And when I found out the country that he is living in, I gave him a bit of advice that I want to pass along to people who follow this blog, *MaryRefugeOfHolyLove*. You see, the country that he lives in is a Muslim-dominated country and he is a Christian-minority. And so, I advised him to read my recent commentary, **“The Great Warning, Islam, and the Divine Plan”** (<https://maryrefugeofholylive.com/2017/08/12/special-commentary-the-great-warning-islam-and-the-divine-plan-by-a-soul/>), and to strongly consider that these thoughts are promptings from the Holy Spirit and his guardian angel for him to relocate to a safer place for his family. I told him that he needed to pray to the Holy Spirit and the Blessed Mother for further advice on where to go.

Now, I share this advice with you, followers of this blog, not to spread alarm and make people overly worry, but I have many followers from different parts of the world. And I want to say, if you have been having thoughts about moving from where you live and you live in a Muslim-dominated area, I want you to strongly consider these as genuine promptings of the Holy Spirit for your future welfare and safety. Right now, we are living in a time of grace, but after the Great Warning (Illumination of Conscience) happens, many things are going to dramatically change in the world. One of those things is the personal safety of Christians in Muslim-dominated areas. So, if you are having thoughts about moving and you are a Christian-minority, I want you to strongly consider it to be a working of the Holy Spirit and to act upon your situation.

Jesus has said there are three types of Muslims in the world:

“In the Muslim world, there are people of light. These accept those parts of the Koran which are shared with the Jewish-Christian beliefs. They live these values in a Muslim culture.

Other Muslims are neutral, so to speak, they are not children of light but they are not given over to radical darkness. Then, there are Muslims who accept and follow the darker teachings of the Koran which are totally at odds with my teachings on love and peace.”

Now, there are many Muslims who are truly peaceful people. Unfortunately, it is the radical Muslim minorities that are gaining more and more power in Muslim-dominated areas of the world. And as I shared in my commentary, the antichrist is a Muslim spiritual leader who will influence a great number of Muslims to the more violent

teachings of the Koran. Jesus and Mary have said many times that the hell that exists in the Middle East is the hell that satan wants to bring to the rest of the world; and satan will use radical Islam as his tool to do this.

Now, I want to re-share a message that I recently posted from **Locutions To The World**. It is from Jesus:

October 1, 2012

“Avoiding the Burning Lava of Violence”

JESUS

*“Violence is like burning lava that destroys everything which lies in its path. It destroys life that has taken so many centuries to bring about. In a short time, the culture of life is instantly ripped apart and cannot be mended or restored. Human relationships and human culture are pieced together slowly, but they are ripped apart quickly. **I say this so that my words are etched into your souls.**”*

*“Do not take up the sword. Do not use torches of fire. Do not fire your weapons. **Seek your safety by being prepared. Flee whenever necessary. I will guide you. Look ahead. Do not be caught off-guard. See the warning signals. I promise to guide you and keep you safe. The greatest protection is not to meet violence with violence, but to see ahead of time the path of violence and to flee so that this stream of lava does not reach you. Blessed are those who heed my words.**”*

Now, I want to echo these words of Our Lord: *“The greatest protection is not to meet violence with violence, but **to see ahead of time** the path of violence and **to flee** so that **this stream of lava does not reach you.**”* I, a soul, want you to use this writing of mine as a “warning signal” from the Lord that now is the time to change your situation if you have been receiving such promptings and thoughts. I am confirming what the Lord and Our Lady are trying to say to you. I do not know when the Great Warning will happen, but just by discerning the “signs of the times,” it is very close. If you have the means to change your situation, strongly consider it. You will be so much better off if you do so.

Now, what if you cannot change your situation? Christians are minorities in many places of the world and for many people, it is not an easy matter to simply get up and move to a safer place. I have hope for you, too, so do not be troubled. The Lord has provided the Seal of the Living God for you and your loved ones. The Seal was revealed by God to 7th **Messenger, Maria Divine Mercy**, as part of the **Book of Truth**. Accept this gift from His Most Sacred Heart, which will protect you, your loved ones, and your property. It is found on this page of the blog:

The Seal Of The Living God

<https://maryrefugeofholyllove.com/the-seal-of-the-living-god/>

Here is what you need to do: (1) download the translation for your language of the Seal of the Living God; (2) if possible, have several copies of the Seal blessed by a priest; (3) display a copy of the Seal in your home; (4) keep a copy of the Seal on your physical body, i.e., in your wallet, etc.; and most importantly, (4) pray the prayer for the Seal of the Living God everyday for protection of yourself, your household, and your property. You need to do all these steps in order for the Seal to be effective.

Now, there are a few things that I want to say about the Seal of the Living God. Firstly, each week, many people will view the blog page in which God the Father talks about the many blessings of the Seal, but only rarely, do people bother to download the Seal in their language. And seeing this happen week-by-week, I wonder to myself why are people not downloading the Seal? I do not know if it is because they already have a copy, or if they do not know that they need to say the prayer everyday? It is a great mystery to me. I have more than 43 translations of the Seal on the blog page.

And the second thing that I want to say about the Seal of the Living God is this: Do not limit your blessings from God. I want to share a story. A few years ago, I went to hear **Prophet John Leary** (<http://www.johnleary.com>) talk at someone's home. And when I visited this person's home, I was totally impressed by this lady's faith. In her living room, was her family's altar and prominently displayed on it was a huge blessed copy of the Seal of the Living God. The thing is, this lady also believed in the need for the refuges as spoken about by John Leary. In fact, she had spent several thousand dollars of her own money to help contribute to building a refuge for herself, her prayer group, and others. And I was totally amazed by seeing this, because this lady did not limit her blessings from God. Most people believe that they have to choose between using the Seal of the Living God or going to a refuge, etc. But, this lady accepted both blessings from God. I was in awe of her deep faith and trust in God.

So, I tell all blog followers: Do not limit your blessings. Accept every blessing, every grace offered to you from God. Our Lady never said “no” to God—the Blessed Mother accepted every grace offered to Her from God—that is why She is known as “full of grace.” Imitate Our Great Mother. Do not limit God's gifts for you. Do everything possible to protect yourself and your family. Prepare for the refuges AND keep a blessed copy of the Seal of the Living God in your home and on your person. Say the prayer for the Seal of the Living God everyday for you and your family. In fact, I know of a third way of protecting your home during the Great Tribulation, which involves placing blessed green scapulars in the four corners of your land (for more information, see the **Apostolate of the Green Scapular**, <http://www.greenscapular.org>). Bless yourself three-fold from God. You will be so grateful to God if you follow this advice that I am giving to you now. Do not be one of the millions of people scrambling to download the Seal of the Living God after the Great Warning. Be prepared ahead of time. Allow God to bless you now.

And so, this is my advice to you. *Many blessings to you!*
