

Special Commentary - Important News As To Why The Warning (Illumination Of Conscience) Has Been Postponed By Heaven And Continuing Need For Prayers For Donald Trump - By a soul - MaryRefugeOfSouls

Blessings beloved ones,

I, "a soul", of this blog, *MaryRefugeOfSouls*, want to address to all of you, *my beloved followers*, in this post, important news as to why the Warning (Illumination of Conscience) has been postponed by Heaven and also the continuing need for prayers for the re-election of U.S. President, Donald Trump. I know that many of you have been diligently following this blog for the latest updates from Heaven, especially, for this Fall Season 2020, as my blog in particular, has stressed that the Warning would be happening soon. In fact, the specific date that I was given was today, Tuesday, December 8th, the Solemnity of the Immaculate Conception of the Blessed Virgin Mary, for the Warning (Illumination of Conscience). And I know that several chosen messengers were told by Heaven that the Warning would take place this Fall 2020 (I am even aware of an anonymous priest who was told this by the Lord).

Yet, obviously, neither the Warning, nor the 7 days and 7 nights of preceding signs have happened. So, I want to explain that there was a last-minute intervention by the Blessed Mother early Tuesday morning (December 1st) and Papa God decided that because the U.S. presidential election was not settled yet, it would affect free will too much if the Warning happened now. So, it has been postponed at least until later in Winter. I was told this privately by Jesus on Wednesday (December 2nd); and then, the public message was given to the chosen messenger of the Holy Family Refuge messages on December 3rd, so that has helped to explain the situation.

Holy Family Refuge Messages – Blessed Virgin Mary – “I have asked My Father in Heaven to delay the Warning for a short time because of all the conflict in the election and also in the Democrat and Republican parties”

However, there is also another major reason that contributed to the Warning being postponed last week. The other major factor is that in advance of the Warning, Papa God wanted Limbo to be emptied. Limbo is the place where the unborn infants spiritually go upon death, because free-will is a gift that is given to people when they are born and unborn infants who die due to abortion or miscarriage do not have free-will. They are totally dependent upon their mothers and when they die, they automatically chose the Divine Light of Christ in the afterlife, so all unborn infants are saved by God, but stuck in spiritual Limbo -- totally bereft -- without the beatific vision of God in

Heaven.

So, a few chosen messengers, along with a team of prayer warriors, and a holy priest who obtained permission from his bishop, emptied Limbo last weekend (November 28/29th). This meant that over a billion unborn children entered Heaven and the Blessed Mother used their prayers to delay the Warning so their parents and others would not go to hell due to abortion. On Saturday, the team of prayer warriors did all the Baptisms and on Sunday, they did all the Confirmations. I am amazed that they were able to do them all (over a billion unborn children) in just two days.

Also, one of the chosen messengers was able to see in a vision, the Gates of Heaven open up as all of these unborn children entered Heaven and all the saints in Heaven who welcomed them were all carrying "TRUMP" signs as a message to all of here on earth.

And so, I announce to you all this good news about Limbo being emptied (not fully closed though as abortion and miscarriage are still part of this fallen world), as I hope that hearing about this important happening will soften the fact that the Warning has been delayed. As I know many people have been praying and preparing for this major event, which has now been postponed.

I must share with you all, though, that I do not believe that the Warning has been postponed for a long duration. Some people have questioned me as to why the heavenly messages, such as those at **Holy Love Ministries** (<https://www.holylove.org>), have focused so much on the U.S. presidential election and not the forthcoming Warning, etc. Well, the answer to that question is very plain to see: the direction of the world is very much dependent upon the direction that the United States takes in the world. The continuing freedom of my country and the entire world is at stake in the outcome of this election.

It is very much true. If God had permitted the Warning to have taken place today, it would have overly influenced the free-will of the American people who have the freedom of self-determination for their country. Papa God needs to give my country the chance to resolve our issues and political differences without God deciding for us what to do. As indicated in an earlier heavenly message, over 2/3rds of the election votes went to Donald Trump -- that is how ridiculously overwhelming the cheating and stealing of votes has been by Biden and the Democrat party.

So, now, this is where Heaven needs our help. God can do anything given our free-will permission, but we -- meaning the entire world -- has got to pray for a MIRACLE that the U.S. Supreme Court will decide in favor of President Donald Trump for re-election. Otherwise, if the Supreme Court allows the electoral college votes to be tossed aside, the U.S. House of Representatives would decide who would be the next U.S. President.

What does this mean? A simple majority vote would be sufficient and because the majority of the House is the Democrat Party lead by Speaker, Nancy Pelosi, yes, Biden would be voted in as the next U.S. President.

Last night, Jesus told me that it is URGENT that everyone pray to Papa God for a MIRACLE for Donald Trump to take place by Christmas. Otherwise, if the vote goes to the House, Biden would win, and the American people would begin to lose confidence in the U.S. Federal government, because everyone would feel that their votes were robbed and a grave injustice would have taken place. Jesus shared with me that our form of government would be DONE, as in finished, and there would be chaos, civil unrest, and martial law declared. And the violence would escalate until January 20th, when the inauguration would be supposed to take place for the next president. I do not normally see visions, but God permitted me to hear the sounds of all the chaos and violence happening as my country would unravel into civil war. It was really, really bad to hear.

So, for everyone who reads this blog post, I am begging and pleading that everyone pray everyday for the intention that Papa God perform a MIRACLE for Donald Trump by Christmas. AMEN.

Questions Asked By Blog Followers About The Warning

1. Did God not know that He would postpone it? Then why give a date earlier than the final date?

Much of the answers to these questions involve free-will, how prayer is used in the present moment, and behind-the-scenes stuff that people are not aware of and I have been reluctant to talk about. But, people must trust that God has a good reason for everything that He does on earth. Everything no matter what it is.

One principle that people must understand is that much of what God is able to do day-by-day depends on prayers and sacrifices made by people the day before. Truly, God looks at our free-will choices and largely plans His next day strategies due to how mankind is cooperating with His Divine Will the day before and in the present moment. That is how great our free-will influences the outcome of the Divine Plan.

Papa God fully knows the future and all the variables and repercussions due to every choice that each man and woman make. But, Papa God is the only Person of the Most Holy Trinity who fully knows the future and all the important dates and future events of salvation history. When Jesus became Incarnate as the Man-God, He subjected His Divine Will and His Divine Wisdom and Divine Knowledge to His Heavenly Father. This is so Jesus could fully interact in time as a Man and would be able to offer up His

Suffering in atonement for the sins of all mankind. So, Jesus is subject to revelation from His Heavenly Father -- that is why He does not know the date for His Second Coming and other matters, etc. Saint Paul the Apostle writes about this in his Letter to the Philippians, for those interested in a biblical reference.

Meanwhile, there has been many behind-the-scenes events happening, which have been affecting the date for the Warning (Illumination of Conscience). People can choose to believe my words or not, but much that has been controlling the date for the Warning, has been the special project that Jesus and His Blessed Mother commissioned me to begin in March 2018 and which I only recently finished this November 2020. The special project is a book about the Miracle and Sign of Garabandal, which Saint Gabriel Archangel revealed to me personally back in January 2017. The Blessed Mother once gave a heavenly message in which She said that what good is a sign from Heaven without words to accompany it to explain what it means? Well, that is exactly what the book does -- it explains the meaning of the Miracle and the Sign of Garabandal. People are expecting the Miracle of Garabandal to be similar in nature to the Miracle of the Sun at Fatima. It is not like that at all. Instead, it is something that exists at the very Throne of God in Heaven and is a great mystery involving the Divine Plan. It is something complex; and yet, something very simple.

The book goes into great detail about both the Miracle and the Sign of Garabandal. The book also addresses other important matters pertinent to the End Times. Satan hates the Miracle and Sign of Garabandal, but he cannot stop it from happening on earth. However, what Satan has been trying to do, is attempt to control the "narrative" about what the Miracle and Sign of Garabandal are all about. However, being unsuccessful, Satan finally decided to launch his major attack earlier against mankind in January 2020.

So, that is a major reason why the Warning date has been in flux. The original date for the Warning was NOT Fall 2020 -- it was supposed to take place at a later date -- I was originally told the season, so I could complete the book by then. However, since Satan launched his attack early, and based on the fact that the mark of the beast would be coming sooner, Papa God set the new date for the Warning for (today) Tuesday, December 8, 2020, the Solemnity of the Immaculate Conception. Then, Papa God permitted Jesus to tell me this specific date on September 19th (Feast Day of Our Lady of La Salette), so I would have a good handle on the deadline for the book.

Now, due to events last week -- the intervention by the Blessed Mother really at the very last-possible moment on December 1st -- I know this, because on Monday night, November 30th, Heaven shared the need to pray with me, because Satan and Hell were battling the holy angels who were positioning the Crosses in the sky (for the 7 days and 7 nights of preceding signs). So, truly, the Warning was going to happen today (December 8th), until the Blessed Mother demonstrated how truly POWERFUL She Is

as an Intercessor and Advocate for all mankind. I am truly amazed and awe-struck by what She did last week.

Anyways, I am more freely sharing now about the special project -- the existence of the book, because my task is fully completed. Thank you to all who prayed.

2. For some of us who prioritized prayer, service to the Lord, and preparation, our lives and livelihood are on the line...

I know that this is hard to accept, but Papa God really does need everyone to sacrifice like they have been doing these past few months since the Warning was announced to be happening this Fall Season 2020. Because daily Masses have been interrupted in so many places and so many people have become less fervent in their faith, the few that remain have a heavy burden to fulfill, just to keep the uneasy balance on the scales of Divine Justice. The fact that there are less Holy Masses and many people have stopped attending, are really hurting the possibility of salvation for many dying souls right now; and I know for myself, Heaven has been having me pray a lot more than ordinary, to pick up the slack of so many unsaid Masses.

I say this, not to be callous or rude, but just to be honest. A sacrifice to God is worthless unless it means something, that it costs something to a person in the end. Just like the story in the Gospels about the widow's mite -- how her Temple offering of all she had was worth more to God than all the rest who gave from their surplus. The more that we sacrifice for God, the more that it shows Him that we love Him and that we trust in Him for our Divine Provision. The world that is all-around us is passing away; we are entering into a new time, where the depth of our trust in God will be worth its weight in gold, because it is through our trust, that we will be called to work miracles before all those who do not believe like we do, especially, for the time of the refuges.

3. And those we tried to help with this info (warning this fall, get ready etc.), some of whom treated us as delusional or simply disbelieved, may seem to be justified if delayed beyond this fall... and might even delay preparation further...

I know that this is another hard fact to accept, but your reputation before God is more important than your reputation before man. Between 85-90% of the world population is in a state of mortal sin, do not follow the Ten Commandments, and would have experienced hell during the Warning. This means that 85%-90% of the world population is also delusional, because they do not believe or follow the Truth -- God Is The Truth. Sometimes, the only way to advance the Gospel and to follow the Divine Will, is to be willing to be humiliated, embarrassed, and inconvenienced in your daily life. Isaiah was one of the greatest prophets of the Old Testament, but he suffered much and was never really accepted by the people. One of the things that God had him do was walk naked

for three years in the desert just for the sake of following the Divine Will (as a physical warning as to what was about to befall them). By Jewish tradition, it is known that Isaiah died a martyr by being sawed in half. Not all of us are called to sacrifice like Isaiah did, but we are all called to become great saints before God and the only way to become a great saint is to forget about worldly esteem and reputation before man. Those who abide in the Truth of God are not delusional.

Also, God always desires a Nineveh (Jonah) outcome to a grave situation than a Sodom and Gomorrah outcome. That is one of the main purposes of private revelation and providing prophecy, so events can be mitigated and changed for the better. Although no one anticipated this last-minute intervention by the Blessed Mother, Papa God would only grant this short reprieve, if in the end, it is better overall for souls.

4. Did the Lord hint at the next date or how much delay? Is it still this fall? Or this December?

Jesus told me that the Warning will no longer take place in the Fall Season or December 2020. As Papa God has decided to change the date, it is like the situation before, in which only Papa God knows the exact date for the Warning now. Although Jesus does not know the date, He did tell me that if Biden becomes the U.S. President, the Warning will more than likely happen this Winter season. If Trump is re-elected, there is a possibility of the Warning being pushed further ahead into the Fall Season 2021. However, a major variable that is controlling the timing of the Warning is the likelihood of the mark of the beast being implemented through the mandatory vaccinations. Because there is such a strong likelihood that this will take place soon, the possibility of the Warning happening this Winter is very likely versus next Fall. The Warning will happen before the mark of the beast takes place, as God will use the Warning to tell people not to take it at risk of losing their soul to hell.

5. Prophesied Date for the Miracle and Sign of Garabandal

I am not really concerned about the date given to visionary, Conchita, for the Miracle and Sign of Garabandal, because Papa God will use the occasion of the Warning to change the date, if need be, by having the Blessed Mother tell Conchita during the Warning the new date for the Miracle. It is the same for the visionary, Mirjana, and the dates of the Ten Secrets of Medjugorje. That is why Papa God reserves the exact date for the Warning to Himself for all these past years. So, Papa God can make adjustments to the Divine Plan as need be due to prayer, sacrifice, and free will.
