*Blessings beloved ones,*

I, “a soul”, of **MaryRefugeOfSouls**, would like to clarify a few things. I am not a chosen messenger like those that I promote on this blog by sharing the heavenly messages given to them. However, from time to time, the Lord does share different prophecies with me, so I understand how different aspects of the Divine Plan come together in this End Times. And when appropriate, I share them on this blog for followers to also know after I have discerned them for a period of time.

So, in this special commentary, I want to discuss a few recent prophecies that have been uniquely given to me in these last few months. That way, my beloved followers, can also understand how Papa God is proceeding as we get ever so closer to the Warning (Illumination of Conscience) happening to all mankind on earth. So, people can further discern and prepare.

Firstly, I hinted about these facts in a previous commentary, but I want to make these prophecies more explicit, so people will not be surprised when they take place. Because they are very important to know.

So, I want people to know that Papa God will likely be changing the date for the Miracle and Sign of Garabandal, so it can take place sooner than the Springtime after the Warning. What Papa God will likely do, is during the Warning encounter, He will inform visionary, Conchita, of the new date for the Miracle and Sign of Garabandal. This is because Papa God wants the Miracle/Sign to take place within the six weeks after the Warning has happened to mankind on earth, for three reasons: one, so the Miracle/Sign can make the greatest positive impact to change mankind’s errant behavior; two, so satan and hell cannot influence or interfere at all during the six weeks; and three, so the Miracle/Sign can happen when we all still have technology like access to the internet because after the six weeks, we have to get rid of all technology due to the antichrist coming onto the scene to influence mankind.

Moreover, I was directly told by Our Lord, Jesus Christ, who had permission from Papa God to reveal this to me, that the Miracle/Sign will happen in a location in the USA. I know the location but it is not my task to reveal it. Rather, during the Warning encounter, Papa God will inform visionary, Conchita, of all the locations in the world

that the Miracle/Sign will happen. And so, when she reveals the new date for the Miracle/Sign, she is also responsible for telling the world of all the locations that it will take place, so the faithful can gather at those places to witness them.

Also, please understand, because my writings put the world on notice that Papa God can and will likely change the date of the Miracle and Sign of Garabandal, they also put the world on notice that Papa God might also change the season for when the Warning (Illumination of Conscience) might potentially take place. It is totally Papa God's sovereign prerogative to choose any date for the Warning and He will bring it now at anytime that is best and ideal for the conversion of His beloved children. So, He is no longer tying it to the football season, etc., but Papa God will bring it upon mankind when it will save the maximum number of souls. Also, my writings and videos have put the world on notice, that Papa God will only give a 7 days/7 nights of advance warning of celestial signs to the Great Warning. So it is best that people confess their sins frequently, so they are not caught up in the last minute rush for confession just before the Warning happens to mankind.

Now, the next matter that I would like to discuss is refuges, because I have gotten a few questions about them. Please understand that regardless of what happens in the world, the refuges are very much needed for the success of the Divine Plan and so, people will be called by locution (inner voice) at the appropriate time by God for their personal safety. I know that a lot of people want to stay at their homes, but the probability of that is so low, really, at this time, it is necessary for God to separate His beloved children from the rest of the world. So, the refuges are needed regardless of whether or not my country, USA, survives after the Warning. There are many reasons for the necessity of the refuges — let me share a few of them.

One, refuges are necessary because most of the children of God are selfish and so, they can only unlearn this negative behavior by community living at the refuges. Two, refuges are necessary because God needs to feed and take care of His people collectively to carry on the future generations. People cannot stay isolated in their homes without means to feed and take care of themselves for 3 1/2 years. Three, refuges are necessary because people live in demon-infested homes with many demon-infested objects. It is my understanding that the average home in the USA has over 200 demon-infested and cursed objects in them. God has to remove His children completely from these bad environments into refuges which will be fully purified of any demons and occult-cursed objects and fully protected by His holy angels.

Now, let me explain something that most people do not realize. Refuges are not only safe havens to protect God's people and help them grow in holiness as they experience their purgatory on earth, the refuges are also necessary because there will be a lot of spiritual warfare taking place on the earth, so it is important God's people are together so

they can effectively battle all the demons.

Please understand, my dear brothers and sisters in Christ, we will be spending 3 1/2 years at the refuges preparing for the final Battle of Armageddon. That will be when all the holy ones will be battling all of the demons in the greatest battle between Heaven and hell in the history of mankind. You do not suddenly show up to do battle on behalf of God — you have to be prepared by many lesser battles over the course of the Great Tribulation.

So, how will God prepare His people for the final battle? At the refuges. I have been told by Saint Gabriel Archangel that Armageddon is not simply a battle but a Great War between mankind and demonic aliens. Note, there are multiple gates of hell where demons are locked up in other dimensions and other places. As the antichrist attempts to open all these gates on earth, there will be individual spiritual battles to prevent the antichrist from using his demonic power to open each gate.

Moreover, I recently shared in my martyrdom commentary about my spiritual experience about satan eating me alive. My dear brothers and sisters in Christ, this is what demons do – if given the chance, they eat human beings. Trust me, God can better protect His people at the refuges with the holy angels from experiencing this horror in the world, along with God's Divine Justice.

Finally, I want to conclude by sharing with you all a gift that the Lord gave me a few weeks ago. I was given an auditory sign — which is similar to a vision, but it only consists of the sounds involved and not the visual part of a vision. I have experienced auditory signs a handful of times before, so I recognized the experience, and this auditory sign was regarding the Warning and Miracle of Garabandal. I heard the sounds of people experiencing both supernatural phenomenon over an hour and a half.

So, over an hour, I heard the sounds of people reacting during the Warning and it really shocked me. I thought that people would be screaming, “oh my God!” or “God save me!” like the crowd did at Fatima, Portugal. But, honestly, I did not hear that at all. The overwhelming majority were screaming, “we are going to die!” as they witnessed the celestial events of the Warning. Very few people praised God by thanking Jesus — I only heard that faintly a few times — but most people did not think of God saving them at all. Instead, most people were resigned to the fact that they were going to die and they DID NOT EVEN THINK to pray for themselves. In fact, I do not think a lot of people knew that God would potentially save them if they cried out for His Divine Mercy.

Pondering this, I realized how important it is for us as the faithful who know in advance about the Warning, to pray for the salvation of others during the supernatural event. Honestly, if people were praying, they were only remembering themselves and not other

people. I was greatly disturbed by witnessing how so many people did not care about the salvation of others. Then, towards the end, I heard the sounds of people returning to earth after their life review with Jesus. With relief in their voices, I heard many people say, “I’m back!” with surprise — as they were uncertain how they received that Divine Mercy from God to return to earth. Afterwards, I then heard some praise, thanking God.

Next, Jesus permitted me to hear in my auditory sign the sounds of people witnessing the Miracle and Sign of Garabandal. First, I heard voices cry out “Miracle! Miracle!” then I heard sounds that I did not expect. At certain points, I heard people excitedly clapping and whistling with joy, like they were at a sporting event — not like they were witnessing a great supernatural event by God’s Hands.

After the hour and an half was over, I asked Jesus what was the purpose in having me hear these sounds of the Warning / Miracle / Sign and He simply said, because He wanted me to be “ready” or “prepared” emotionally and psychologically for these great supernatural events that will be happening soon in the world.

I hope that this commentary is helpful for many people.

**To Save Souls During The Warning**

*O God the Almighty Father, on behalf of your beloved Son Jesus Christ and in commemoration of His death on the cross to save our sins, I beg you to save souls who cannot save themselves and who may die in mortal sin during The Warning. In atonement for the sufferings of your beloved Son, I urge you to forgive those who are unable to seek redemption, because they will not live long enough to ask Jesus Your Son for Mercy to free them from sin. Amen.*
