**What is The Warning
(Illumination of
Conscience)?**

**On a day only known to
God the Father
(Papa God),
the whole world
will be stopped
for 15 minutes.**

**Every man and
every woman over the
age of 7 years old
will experience a
"life review" before God.**

**Those children 7 years old
and younger will be asleep
as they are innocent in the
Holy Sight of God and so
they will be protected and
granted automatic
salvation in God.**

**The rest of mankind will
experience their
"life review" which is
similar to what happens
to each of us
when we die.**

**Because every person
has been given free will,
a "life review" before
God is necessary to
determine where a
person will reside for all-
eternity in the afterlife.**

**You will know if your
thoughts, words, and deeds
are pleasing to God and
His Divine Will as expressed
in the Ten Commandments
given to Moses in
the Holy Bible.**

**You will have a foretaste
of where you would go
at that very moment
based on your earthly
life: Heaven, Purgatory,
or hell.**

**To be with God forever in
Heaven, you must follow
the Ten Commandments in
your earthly life because
that demonstrates that you
love God and you love and
desire peace with your
neighbor.**

**Because no one is perfect,
every person often sins
in daily life, which means
he or she breaks the
Ten Commandments and
every sin darkens a person's
soul making him or her
very unclean to God.**

**Many people upon death
go first to Purgatory, so the
sins on their souls can be
removed because no one
"unclean" can enter Heaven
and be in God's Holy and
Loving Presence.**

**If a person sins in a
very bad or grave manner
against the
Ten Commandments that
shows God that you hate Him
and hate your neighbor
because you are selfish and
only care about your desires.**

**People that do not follow
the Ways of God in their
earthly life and hate Him
and hate their neighbor
go to hell upon death.**

**Hell is the eternal place of
exile (separation) from God
and His Perfect Love where
people only experience
hatred, extreme pain and
suffering for all-eternity.**

Satan (the devil) and his demons are the enemy of God and enemy of all of mankind; and their only desires are to cruelly hurt and torture all lost human souls that end up in hell for all-eternity.

THE GOSPEL

(Good News)

Who Is JESUS CHRIST?
Why Is He So Important?

Although created Sinless and in Goodness, Adam and Eve as the Original Parents of all mankind on earth used their free will to commit sin against God which broke their friendship with God and resulted in the Gates of Heaven being closed to them and all their posterity (children).

**JESUS Is God the Son and
He Is the ONLY reason every
human person has a chance
to live in Eternal Love and
Happiness in Heaven with
His Eternal Father,
God the Father (Papa God).**

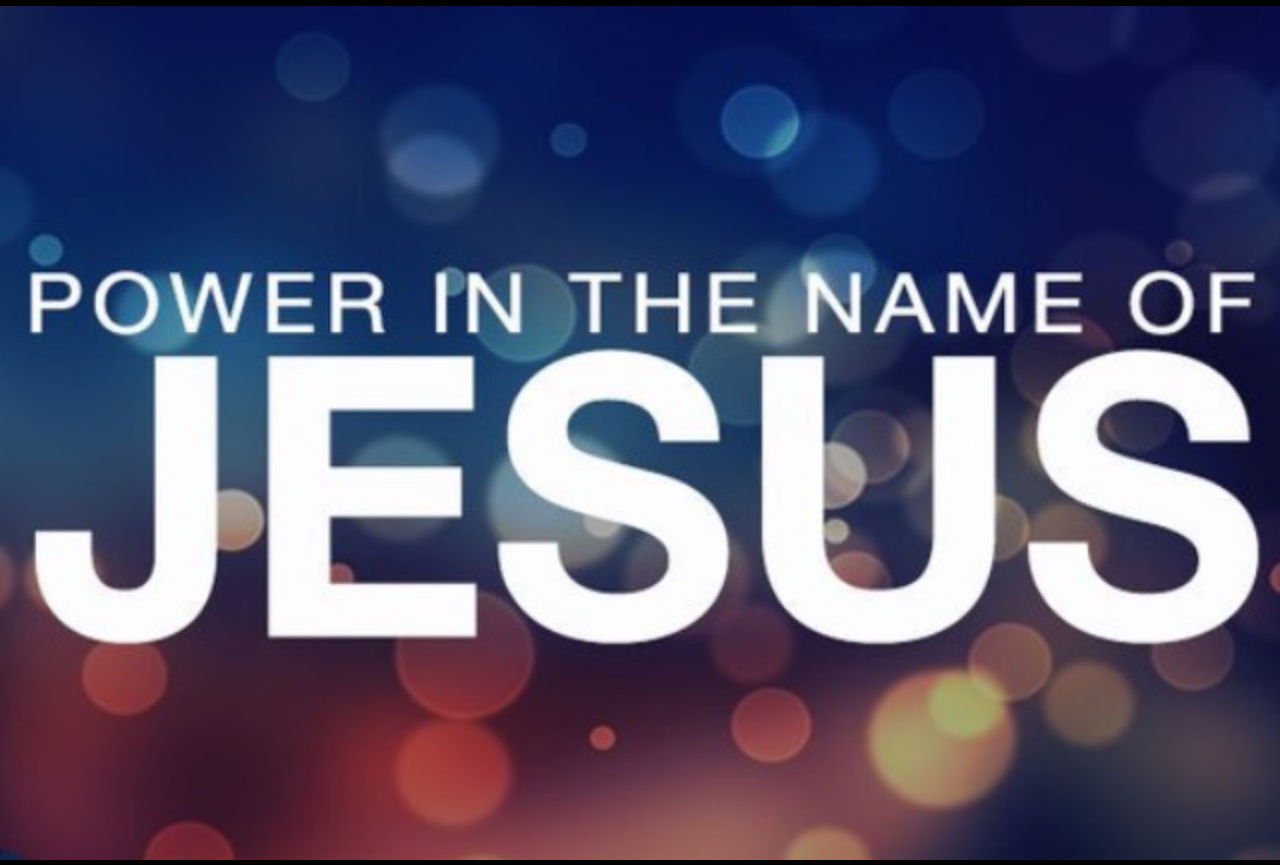

**Although JESUS Is God,
He chose to live an ordinary
human life on earth
2,000 years ago to teach
mankind how to correctly love
Him and His Eternal Father and
to re-open the Gates of
Heaven to all of mankind.**

**Because JESUS Is God the Son, He
Is Perfectly Good and Sinless
Himself, and so Jesus was able to
substitute Himself before the Holy
Judgment Seat of God the Father
for every human person that will
ever live on earth from Suffering
the Eternal Punishment of hell for
all their sins.**

**JESUS satisfied the
Eternal Ransom for
every human soul by dying a
horrible death by Crucifixion
even though He was totally
innocent of any human crime
and totally innocent of
any sin against God.**

**By His Bodily Resurrection
On the 3rd day from the grave,
Jesus showed all of mankind that
the Gates of Heaven are
re-opened to all those who choose
to believe in His Holy Name and
follow His Teachings of Love found
in the Holy Bible.**

**By believing in JESUS and
following His Teachings of Love
during your earthly life, this
shows that you love God and
desire to be friends with God
and so, He will prepare a place
for you to live forever when it
is your time to come
home to Heaven.**

POWER IN THE NAME OF
JESUS

**During The Warning,
some people may die
because their hearts are so
sorrowful due to their
actions that hurt God, or
their hearts are so
hardened against God
due to their sins.**

**During The Warning,
if you suffer hell, you
must call upon "JESUS"
at least once so you can
be saved by God.**

**You will have your
judgment commuted to
deep Purgatory or a
second chance to convert
your life on earth.**

**During The Warning,
a small number of
people, such as the
elderly or very sick,
may go home to Heaven
(known by some as
the "Rapture").**

**People returning to life
on earth will be told
three things by God:**

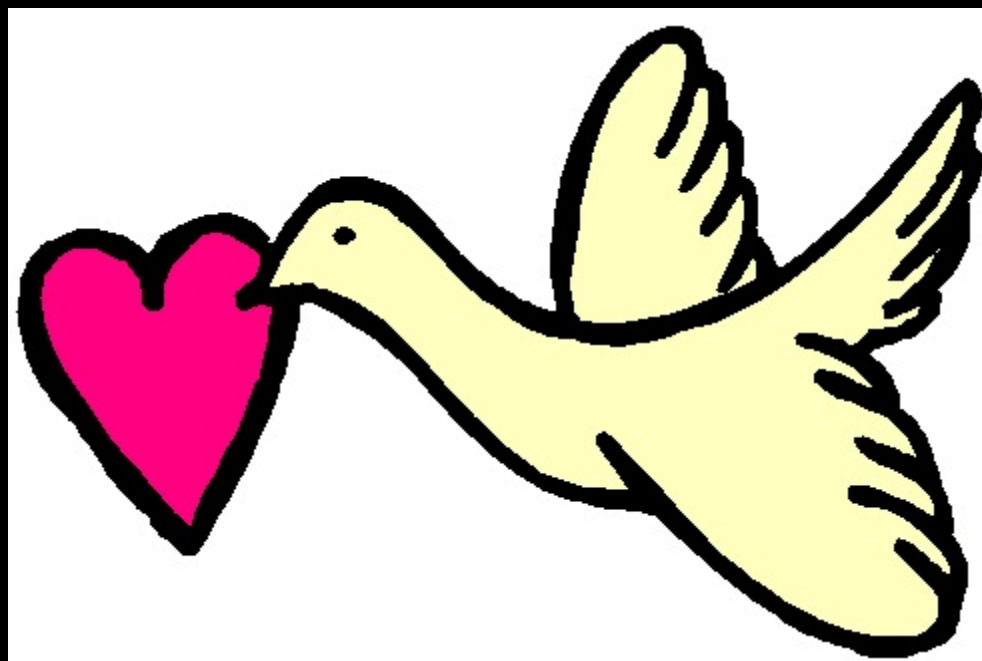

**One, DO NOT worship
the antichrist**

**Two, DO NOT take
the mark of the beast
(physically embedded
microchip), which will be
presented as a
mandatory vaccination that
controls buying and selling**

**Three, the people who
choose God will be
protected at
physical refuges during
the Great Tribulation**

**During The Warning,
all the people who say
"YES" to God
will be purified by God in
their physical bodies from
the corrupted DNA caused
by and inherited from their
ancestors since the
Fall of Adam and Eve.**

**This PURIFICATION of their
genetic memories is necessary
so as to prepare mankind for
their glorified bodies which
the good people will receive at
the SECOND COMING OF
OUR LORD, JESUS CHRIST
(which will take place in the
near future on a day only
known by God the Father).**

**The couples (male and female)
who are living together
out of wedlock with children
will be asked by
Our Lord, Jesus Christ,
if they wish to no longer be in
a sinful relationship by being
sacramentally married by Him
during The Warning.**

**Upon returning from
your life review, you
must seek forgiveness for
your mortal sins by
confessing to a priest or
being baptized.**

**The Sacrament of Baptism
cleanses all sins from your
soul and imparts the
spiritual life of God into
your soul making you a
child of God the Father.**

**The Sacrament of
Baptism can be
performed by any priest,
any Christian or
any person of good will
if there are no nearby
priests or Christians.**

**The Sacrament of Baptism is performed
by pouring or sprinkling water
three times on the head of the person,
saying, "I baptize you in the name of
the Father, and of the Son, and of the
Holy Spirit" as the person answers
"Amen" – all done with the
firm intention for the person to become
a Christian and to follow the
WAY OF THE TEACHINGS OF
JESUS CHRIST found in the Holy Bible.**

**Since Baptism can only take
place once in a lifetime,
for those people who are
already baptized but have no
nearby priest to do Confession,
they may seek forgiveness and
pardon for their sins by
praying directly to God.**

**If there is no nearby priest,
a trusted Christian minister
may also be able to
help you in praying to God
for forgiveness of your sins
and reconciling you back
into God's holy favor and
graces as His beloved child.**

**If you do not know whether you have
been already baptized or not,
you can have a "conditional Baptism"
performed by asking God to accept the
Act of Baptism if still needed
as you desire to become a child of God,
to repent fully from all your sins and
ask for His complete pardon and
forgiveness with the firm intention
to amend your life back to God.**

REMEMBER:

**An appropriate priest for the
Sacrament of Confession in
Holy Mother Church can be
either Catholic (Western and
Eastern Rites) or Orthodox
(Western and Eastern Rites).**
