My dear little children, praised be Jesus!

I have told you little children that your prayers are extremely powerful when you meditate on the passion of My Son. The demons flee from you when you ponder every drop of blood, every tear, every blow and agony He endured. Your prayers become very powerful against evil. This is your protection.

In addition, as you grow in humility, your prayer intensifies and is powerful against evil. Demons cannot tolerate being around anyone with profound humility. This is your protection against all evil. Ask your guardian angel to help you to desire, embrace and love yourselves with the utmost humility.

I am happy My children that you strive to seek to please God and answer my prayer requests from you. This is a remarkable time in which the past saints spoke about and desired to live in. Continue to pray and prepare your hearts.

I am with you.

Peace to you. Thank you for responding to my call.
