My dear little children praised be Jesus!

God is all good and He wants to reestablish the goodness He created in the Garden of Eden at the time of Adam and Eve. Over 2000 years, He has invited His people of creation to unite and to live in His Divine Will which would allow the Garden to be recreated for humanity to live in peace and to have every good thing at their disposal living without illness, pain, hatred, and chaos. Everything would once again live in perfect harmony. This is what God desires for you.

God's love for you is immeasurable. My Son made the perfect sacrifice of love for you so that you would not have to be concerned about living without Him. It saddens me that few children desire to be part of God's Garden of Eden. This is why it is written that Mother Church will fall and be re-established with a few loyal people to maintain the True Catholic Church founded by My Son.

I am with you, and I love you. I am not leaving you. Even when situations become rough, I will not abandon you. The battle in the Heavens between the dark fallen angels and the angelic ones is real. Satan is real and wants to destroy anything good. His minions are everywhere watching for the least opportunity to veer you away from God. Keep vigilant, pray, and discern.

Peace to you, my little children. Peace.

Ad Deum
