My dear little children, praised be Jesus!

Please continue to lift your hearts in songs of praise! Evil cannot exist in the purity of His Light. Be an example by living your lives with purity and mercy.

Little ones, please do not let negative thoughts change or affect your feelings and emotions. You **can discipline your mind** to avoid negative thoughts so that they will not dominate your feelings. The peace you maintain is controlled by your emotions, which are processed through your mind. Your thoughts should be focused on fulfilling My Son's Divine Will through your love and acceptance. Do not despise anyone. There is no time for hatred or condemnation. This will only distance you from My Son and accomplishing His desire. This is how My Son's Saints achieved Victory amid turmoil. Their mind was their "cell" for their body and a place which preserved peace and fidelity to My Son.

My children, BE AT PEACE, and continue to pray, pray, pray!. Please do NOT become distracted by circumstances which might trouble you, cause you to become defensive, or even cause you to fear. **Discipline** yourselves through prayer, fasting, and humility. You will hear of many threats on various platforms in the media. Keep focused on My Son and fulfilling His Divine Will.

I love you and I take your petitions to My Son. I bless you in His Name.

Thank you for your love and Trust in My Son, your Savior.

Ad Deum

Peace to you, my little children. Peace.

Ad Deum

"Let nothing disturb you. Let nothing frighten you. All things are passing away: God never changes. Patience obtains all things. Whoever has God lacks nothing; God alone suffices."
