

## Message From Saint Michael the Archangel to Lorena

**October 3, 2025**

### **The Guardian Angels**

**I, Saint Michael the Archangel**, Leader of the Militant Army, want to protect the Faithful Remnant, the Church of Our Lord Jesus Christ, from the attacks of evil.

**Therefore**, through my power as Protector, Guide, and Patron of the Church of Christ, **I** command the Faithful Remnant to be guarded by Special Angels, who are called as follows:

**Guardian Angels**, and They Come to **Guard, Protect, and Guide** the Remaining Church on Its Journey Through the Desert to **New Heavens and New Earth**.

**They have been sent by me** to Earth to defend the People of God from the attacks of the evil one, because **Demonic Entities Will Soon Arrive on Earth as Extraterrestrials** but Heaven does NOT leave His Church alone and today **He has sent GUARDIAN ANGELS to Earth for battle**, with the purpose of helping at the height of the Hour of **Redemption of Humanity** and that it reaches its climax, with the help of the Triumphant and Purging Army—composed of Purging Souls, Angels, and Saints—who, in union with the Forces of the Militant Army during the Hour of the Bloody Battle against evil, will join as one with the Militant Army under the Divine Will of God the Father.

**Therefore, I** invite the Militant Army composed of **Praying Soldiers, Practitioners**, and **First Fruits** to prepare for the Great Battle against Evil, and so that the Lion of the Tribe of Judah may roar with Great Power and

Authority, giving life to the New Humanity begotten in the Womb of the Virgin Mary of Guadalupe. **This New Humanity Will Be the Pillar of THE NEW JERUSALEM.**

**Therefore, I** ask my Soldiers of the Militant Army to unite for the **Great Battle of Armageddon** and give victory to the Lion of the Tribe of Judah.

**Therefore,** through this **BATTALION OF GUARDIAN ANGELS**, you may be protected and guided through the desert, for these Angels are charged and chosen to **PROTECT, GUARD,** and **GUIDE** the **PEOPLE OF GOD.**

**As You Can See, Heaven Will Never Leave You Alone.** The Militant Army has the support of the Purifying and Triumphant One, and **soon** these **GUARDIAN ANGELS** will **manifest themselves to the World** to be Guides of the Faithful Remnant and **make themselves known as Messengers of God the Father** to help in their Great Mission to the Church of Christ.

Today, let us learn from these Guardian Angels who come ready to fight and defend the People of God.

**Militant Army,** Rejoice and Give Thanks to God the Father for This Gift Sent by Him, **the Guardian Angels.**

**Therefore,** kneel before the almighty and **ask for the Anointing of the Holy Spirit** in your struggle for the truth. Let us give thanks to **the Guardian Angels, who will arrive on planet earth to protect** the Church of Christ, the Faithful Remnant.

**Prepare your weapons** for the battle that is coming soon. When the Shofar sounds, **I** will give the order for you **to prepare to fight against the dark forces of evil.**

**I Am Saint Michael the Archangel**

**Who is Like God, No One is Like God!!!**
